Mixed Recyclables

Paper and Cardboard

- Phone books and directories
- File folders and invoices
- Shredded paper (must be in bags)
- Envelopes, magazines, books
- Cardboard boxes (flattened)
- Paper (ledger, printer, fax, copy, white, coloured, glossy)
- Post-it-notes/posters

Light Metals

- Aluminum (foil, pie plates, food containers, picture frames)
- Steel (soup cans, etc.)
- Paper clips

Plastic

- Film plastic (shopping bags, trash bags, zipper food bags, cling wrap, skid wraps, bubble wrap)
- Brown plastic (bleach bottles, ketchup bottles, soya sauce bottles)
- Injected plastic (margarine and yogurt containers, lids, store packaging, PVC pipes, CD/DVD cases)
- Pens, mechanical pencils (remove metal parts)
- Non-hazardous lab plastics (pipettes)

No styrofoam, carbon paper, glass or organic waste.
Please rinse dirty containers before placing in bin!
