

The following UAlberta courses meet the pre-professional requirements at the University of Calgary Faculty of Veterinary Medicine. Most of the pre-professional requirements are integrated to meet the UAlberta program requirements in the BSc Agriculture, Animal Science major and BSc Animal Health (all majors). Please refer to your checksheet to confirm you are track to complete your degree requirement. Complete a Registration Check form available at ales.ualberta.ca for a full assessment of your course registration.

University of Calgary Veterinary Faculty of Veterinary Medicine
