FAQ’s

I have questions. Who can I talk to?

[www.drama.ualberta.ca](www.drama.ualberta.ca)
When should I apply to the UofA?
Applications open each September for admission the following September. Apply early. Once you apply to the UofA you can then apply for Housing (residence fills up every year - and fills up fast!) as well as for Scholarships and Financial Aid.

What Faculty do I apply to? (or what Faculty do I pick on the application form?)
You initially apply for admission to the Faculty of Arts and are considered to be registered in that Faculty for the first 3 years of the program. All qualified Year 3 students will be promoted to Year 4 in the Faculty of Education. As this is a combined degree, coursework from both the Faculty of Arts and the Faculty of Education is taken concurrently.

How do I choose what classes to take?
Please read the BA/BEd Combined Course List for information on degree requirements, course listings and standard schedules.

I want to act. What performance opportunities are there?
There are lots! As soon as you start classes in the fall make sure to check the bulletin board (aka call board) outside the main Drama office (Rm. 3-146) on the 3rd floor of the Fine Arts Building (FAB). There will be audition notices for Abbedam, Quick & Dirty, The New Works Festival, Directing class projects, Media Room shows and more!

I like more of the behind-the-scenes stuff. How do I get involved?
Just like all the opportunities that exist to perform (see the question above) there are ways to get involved behind-the-scenes outside of class. Watch for notices on the bulletin board (aka call board).

How come there are only two drama classes in the first year?
The drama courses in the BA/BEd Combined program build on each other, and certain classes must be taken before or at the same time as others. As you progress through the program you will take more and more drama classes. Also, by taking your core requirements (Arts Chart 1) in years 1 and 2, you’ve got more time to focus on Drama classes in your senior years. Lots of learning happens outside of class – students say that being involved in all the extra-curricular drama opportunities enhances their learning experience tremendously – so get involved!

I’d like to transfer into the program. Can I do that?
Yes. Depending on what courses you have taken and from which post-secondary institution, you may be eligible to transfer into the program.

Do I have to order transcripts?
If you applied through the “Apply Alberta” website and have opted to have your transcripts sent automatically, then you will not have to order transcripts for any participating Alberta institutions (including Alberta Learning). You must request all other documents including IB, AP and out-of-province transcripts and arrange to have them sent to the Registrar’s Office before the deadline.

Where do I send my transcripts?
Submit official and complete transcripts directly to (check Bear Tracks for deadlines):

Office of the Registrar
Administration Building
University of Alberta
Edmonton, AB T6C 2M7

How and when will I receive FINAL ADMISSION?

www.drama.ualberta.ca

**When should I start using my UofA email address and Bear Tracks?**
Start using both your UofA email address and visit Bear Tracks as soon as you apply to the UofA. These are the official channels of communication between the university and you.

**What is Bear Tracks and how do I access it?**

**What does ★6 mean?**
