

*As a public institution, it is important for the University of Alberta to be able to report on the educational and professional outcomes achieved by its graduate students; and hence we are regularly asked by the university administration to forward information about what our M.A. students have gone on to do after graduation. In addition, it is important for us to know this information for our use in recruiting and advising incoming graduate students. And, of course, we hope that you enjoyed your time with us, and we'd like to keep in touch! Therefore, we would appreciate it if you could fill out as much of this form as you are able; all information will be kept confidential and we will not contact you without your permission.*
