The University of Alberta is committed to the highest standards of academic integrity and honesty. Students are expected to be familiar with these standards regarding academic honesty and to uphold the policies of the University in this respect. Students are particularly urged to familiarize themselves with the provisions of the Code of Student Behaviour and avoid any behaviour that could potentially result in suspicions of cheating, plagiarism, misrepresentation of facts and/or participation in an offence. Academic dishonesty is a serious offence and can result in suspension or expulsion from
All students should consult the Academic Integrity website. If you have any questions, ask your instructor.

An instructor or coordinator who is convinced that a student has handed in work that he or she could not possibly reproduce without outside assistance is obliged, out of consideration of fairness to other students, to report the case to the Associate Dean of the Faculty. See the Academic Discipline Process.

**Learning and Working Environment:**
The Faculty of Arts is committed to ensuring all students; faculty and staff are able to study and work in an environment that is safe and free from discrimination and harassment. It does not tolerate behaviour that undermines that environment. The Department urges anyone who feels that this policy is being violated to:

The following guidelines have been adopted by the Department of Modern Languages and Cultural Studies:
