Course Description, Objectives and Expected Learning Outcomes:
The aim of this course is threefold: 1) to hone the students’ translation skills through individual as well as collective practical assignments; 2) to introduce the students to advanced translation studies concepts that will enlightened their practice; 3) to improve their proficiency in both written and oral French. Policy about course outlines can be found in the [Evaluation Procedures and Grading System](#) of the University Calendar.

**Student Responsibilities:**

**Academic Integrity:**

The University of Alberta is committed to the highest standards of academic integrity and honesty. Students are expected to be familiar with these standards regarding academic honesty and to uphold the policies of the University in this respect. Students are particularly urged to familiarize themselves with the provisions of the Code of Student Behaviour (online at [www.governance.ualberta.ca](http://www.governance.ualberta.ca)) and avoid any behaviour that could potentially result in suspicions of cheating, plagiarism, misrepresentation of facts and/or participation in an offence. Academic dishonesty is a serious offence and can result in suspension or expulsion from the University.

All students should consult the [Academic Integrity website](#). If you have any questions, ask your instructor.

An instructor or coordinator who is convinced that a student has handed in work that he or she could not possibly reproduce without outside assistance is obliged, out of consideration of fairness to other students, to report the case to the Associate Dean of the Faculty. See the [Academic Discipline Process](#).

**Language and Translation Courses:**

Students involved in language courses and translation courses should be aware that the use of on-line translation to complete assignments constitutes a form of cheating as the student’s own understanding and work is therefore not reflected. Also, students in language courses should be aware that, while seeking the advice of native or expert speakers is often helpful, excessive editorial and creative help in assignments is considered a form of cheating that violates the Code of Student Behaviour.

**Learning and Working Environment:**

The Faculty of Arts is committed to ensuring all students; faculty and staff are able to study and work in an environment that is safe and free from discrimination and harassment. It does not tolerate behaviour that undermines that environment. The Department urges anyone who feels that this policy is being violated to:

- Discuss the matter with the person whose behaviour is causing concern; or
- If that discussion is unsatisfactory, or there is concern that direct discussion is inappropriate or threatening, discuss it with the Chair of the Department.
For additional advice or assistance regarding this policy you may contact the Office of the Student Ombuds. Information about the University of Alberta Discrimination and Harassment Policy and Procedures is described in UAPPOL.

**Sexual Violence Policy:**
It is the policy of the University of Alberta that sexual violence committed by any member of the University community is prohibited and constitutes misconduct. Resources and more information can be found at https://www.ualberta.ca/campus-life/sexual-violence

**Territorial Statement:**
“The University of Alberta acknowledges that we are located on Treaty 6 territory, and respects the histories, languages, and cultures of the First Nations, Métis, Inuit, and all First Peoples of Canada, whose presence continues to enrich our vibrant community.” (from the beginning of the Calendar).

**Recording of Lectures:**
Audio or video recording, digital or otherwise, of lectures, labs, seminars or any other teaching environment by students is allowed only with the prior written consent of the instructor or as a part of an approved accommodation plan. Student or instructor content, digital or otherwise, created and/or used within the context of the course is to be used solely for personal study, and is not to be used or distributed for any other purpose without prior written consent from the content author(s).

**Attendance, Absences, and Missed Grade Components:**
Regular attendance is essential for optimal performance in any course. In cases of potentially excusable absences due to illness or domestic affliction, notify your instructor by e-mail within two days. Regarding absences that may be excusable and procedures for addressing course components missed as a result, consult sections Attendance and Examinations of the University Calendar. Be aware that unexcused absences will result in partial or total loss of the grade for the “attendance and participation” component(s) of a course, as well as for any assignments that are not handed-in or completed as a result. Deferral of term work is a privilege and not a right; there is no guarantee that a deferral will be granted. Misrepresentation of facts to gain a deferral is a serious breach of the Code of Student Behaviour.
In this course, attendance and participation are an essential component and will be assigned 10% of the overall grade. For each class missed without valid justification, students will lose 3% on their final participation grade. Students who cannot attend class should let the instructor know ahead of time and make necessary arrangements. Students will have the opportunity to increase their grade by attending a maximum of 2 community events from the list posted on the “Activités dans la communauté 2019-2020” Moodle website. Students can also attend events listed on the Francopass web application. They will receive a 3% bonus on their participation final grade for each event upon showing evidence of attendance (e.g., selfie, receipt, and stamp on their “passeport”, Francopass).

Policy for Late Assignments:
Students who consult in advance with the instructor regarding contingencies preventing the timely completion of an assignment may, at the discretion of the instructor, be granted an extension just one time throughout the course with no penalty. Otherwise, all assignments should be handed in on the stated deadline. Students who hand in assignments late with no acceptable excuse will lose 10% of the assignment's value for each day following the deadline. Late excuses will not be accepted.

Grading:

The University Grading Procedure mandates that "a student’s level of achievement of their grade, and the descriptor of that grade must be aligned" (https://policiesonline.ualberta.ca/). The following guidelines have been adopted by the Department of Modern Languages and Cultural Studies:
