

# SPAN 499 MEDIATING THE SOUTH: SEX, STEREOTYPES, AND STIGMAS IN LATIN AMERICA

Winter 2019 / MWF 12:00-12:50 pm / Dr. Stephen A. Cruikshank / [scruiksh@ualberta.ca](mailto:scruiksh@ualberta.ca)

How do we mediate the power of media: the Latin lover, the macho man, the exotic salsa dancer, the neurotic narco? Hitched to such a question, this course will explore how artistic, media, and cultural practices in Latin America have contributed to both the formation and criticism of stereotypes and stigmas found in both national and foreign contexts.
