Topics in Italian studies: Modern Italy studied through its cultural context and forms of expression
Winter Term 2017, Cortona

Instructor: Dr. Roberto Bondi (bondi@ualberta.ca)
Class Time: Monday, Wednesday, Thursday 2:15 – 3:45 (St. Agostino, Via Guelfa, 40)
Tuesday 2:15 – 3:30 Laboratory (Liceo Classico “Signorelli”, Vicolo del Teatro, 4)
Office Hours: before/after class or by appointment
Course Prerequisites: no previous knowledge of the Italian language.

Course Description
The course will be taught in English. At Cortona, it will emphasis forms of expression (especially conversational Italian in common situations) within the Italian cultural context. A particular aspect of this course is that students will experience the real Italy, both culturally and in terms of expression: that is, to understand that Italy is not like “The Sopranos”, but a country with a long cultural and linguistic evolution that is, fundamentally, highly structured and formal.
The course begins with the formality of Italy, contrary to the general idea of Italy found in the mass media, and the form of expression that will allow students to be socially correct. For this purpose, the reading of some extracts – in English – by the Italian writer and journalist Beppe Severgnini will provide a general overview of Italy and Italian culture. We will then progress to the daily rituals, the daily culture of Italy, that the students in Cortona encounter. The “bar” culture, the market, the vocabulary and expressions appropriate to buying, consuming, eating, drinking, etc. will be taught and will be useful in Cortona and in the surrounding places. Travel is also a major component for the students at Cortona: in addition to ordering meals, etc., booking rooms, buying train tickets, etc. is a critical aspect of their time in Italy. Following this segment of the course, we will also consider the Italian festivals – Christmas, Easter, Carnival – their origins, the ceremonial and ritual expressions and how they have developed. We will look at the expression of Italian culture through the music, most appropriate in Cortona because of the presence of Lorenzo Cherubini, or as he is known professionally, Jovanotti, some other songs by Italian songwriters, through the monuments for which Cortona is justly famous, and lastly, we will also watch two Italian movies. The cultural aspect of the language will be more important than its structural elements. Students will not be required to learn grammar, as it will be learnt in an inductive way through the expressions commonly used in the daily routine.
Finally, the laboratory with the Italian students of the high school will help to improve the oral skills, especially the expressions that will be used travelling around Italy.

Required textbook to be purchased in Cortona from instructor:
*Italia oggi. Argomenti di cultura italiana*, Italian language workbook, with grammar and extracts from Beppe Severgnini, *La Bella Figura. A field guide to the Italian mind*. Every week students will analyze a small part of this reading, underlining the most important aspects of the Italian culture.

Weights for the evaluation:
- mid-term test (written only) is 20% of the final grade;
- final exam is 50% of the final grade (25% oral + 25% written);
- mini-quiz 1 is 10% of the final grade;
- mini-quiz 2 is 10% of the final grade;
- class participation is 10% of the final grade.

In accordance with the University guidelines, a student's final grade will be communicated as a letter grade and will be based on absolute achievement and relative performance in class. While instructors may use percentages in calculating grades, percentages are not part of the University's grading system. The School in Cortona uses the following conversion table. For a detailed explanation of the grading system, see section 23.4 in the University Calendar (www.registrar.ualberta.ca/calendar).

30.5.4(1) When an Instructor believes that a Student may have committed an Inappropriate Academic Behaviour Offence [30.3.2] or that there has been Misrepresentation of Facts [30.3.6(4)] or Participation in an Offence [30.3.6(5)] in cases respecting Inappropriate Academic Behaviour in the course that he or she instructs, the Instructor will meet with the Student. Before such a meeting, the Instructor shall inform the Student of the purpose of the meeting. In the event that the Student refuses or fails to meet with the Instructor within a reasonable period of time specified by the Instructor, the Instructor shall, taking into account the available information, decide whether a report to the Dean is warranted. 30.5.4(2) If the Instructor believes there has been a violation of the Code, the Instructor shall, as soon as possible after the event occurred, report that violation to the Dean and provide a written statement of the details of the case. The instructor may also include a recommendation for sanction. (CLRC 27 NOV 2003). The following sanctions may be used in rare cases.

30.4.3(3) e Suspension of a Degree already awarded
30.4.3(3) f Rescission of a Degree already awarded

30.6.1 Initiation of an Appeal

30.6.1(1) When a Student has been found to have committed an offence under the Code of Student Behaviour or an Applicant is found to have committed an offence under the Code of Applicant Behaviour (Section 11.8 of the GFC Policy Manual), whether or not that Student or Applicant has been given a sanction, the Student or Applicant may appeal that decision, except in the case of a decision of the Discipline Officer under 30.5.6(2)e.ii, which remains final and is not subject to appeal. In cases where a severe sanction has been recommended to the Discipline Officer, once the student receives the final decision of the Discipline Officer, the student can appeal the decisions of both Dean and the Discipline Officer at the same time. The written appeal must be presented to the Appeals Coordinator in the University Secretariat within 15 Working Days of the deemed receipt of the decision by the Student or Applicant.
