JOB POSTING

STATISTICS PERSONNEL

Job Description

Do you love sports? Basketball, hockey, football, soccer, rugby and volleyball are some of the Golden Bears and Pandas sports at the University of Alberta that require personnel to track game statistics.

We are looking for people who are accurate, passionate, knowledgeable, prompt, alert and committed to join our stats staff for the 2019/20 and the 2020/21 varsity season!

In order for fans, media and our teams to get an accurate and comprehensive account of our games and athletes, diligent staff members must ensure all components of athletic events involving statistics run accurately and smoothly.

The primary role is recording statistics at U of A football, soccer, basketball, hockey, rugby, and volleyball games. Shifts are typically scheduled for Fridays and Saturdays, daytimes and evenings, with possibilities of Thursdays and Sundays, throughout the course of the season (September - March).

All of our stats roles are vital to ensuring the growing need of real-time statistics by fans, the media, and the teams.

**Hours Per Month:** Approx. 20 - 40 hours/month (Scheduling is based on availability)

**Compensation:** $18.00/hr + 4.0% vac. pay + 3.46% stat pay + 1.5% premium pay (for U of A students)

**Job Qualifications**

- Available to work weekends
- Attentive and detail-oriented
- Strong knowledge/passion of sport
- Computer experience working within a Windows environment
- Proficient typing/writing skills
- Able to stay on task within large crowds and/or high-intensity situations
- Able to solve problems in an efficient and effective way
- Familiar with Golden Bears and Pandas Athletics teams and events

If interested, please send cover letter and resume to:

Connor Hood
Sports Information and Communications Coordinator
hood@ualberta.ca

Thank you to everyone who applies, however, only those individuals best qualified for the position will be contacted!
