Re: Canada Savings Bonds Online E-Campaign

Human Resource Services is participating in the Canada Savings Bonds online E-Campaign.

The E-Campaign is a secure online environment that allows monthly paid staff to sign up for the Canada Savings Bonds payroll deduction or make changes to existing plans.

By participating in the Payroll Savings Program your bond purchases are deducted monthly and start earning interest immediately. Monthly paid staff will be able to access the E-Campaign site from October 3 to October 31.

How to participate for the first time:

1. Decide on the amount you would like to contribute per month
2. Go to https://www.e-campaign.csb.gc.ca
3. Select your preferred language and scroll down to Option 3
4. Complete the online form using Organization ID: 12206

Once you are signed up, your automatic deductions will start in December and continue until you want to make a change or stop your purchase. You can access your bonds at any time online at http://csb.gc.ca/employees by selecting Manage My Payroll Savings Plan.
