Lorraine Allison Memorial Scholarship
The Lorraine Allison Scholarship is open to any student enrolled at a Canadian university in a program of graduate study related to northern issues, whose application best addresses academic excellence, a demonstrated commitment to northern research, and a desire for research results to be beneficial to northerners, especially Native northerners. Candidates in biological science fields will be preferred, but social science topics will also be considered. Scholars from Yukon, the Northwest Territories and Nunavut are encouraged to apply.
**Deadline:** Postmarked January 15, 2016

Jennifer Robinson Memorial Scholarship
The Jennifer Robinson Memorial Scholarship is currently valued at $5000, and is awarded to a graduate student in northern biology who best exemplifies the qualities of scholarship that the late Jennifer Robinson brought to her studies at the Institute’s Kluane Lake Research Station. To be eligible you must be: 1) A graduate student; 2) Enrolled at a Canadian university; and 3) Study Northern biology (northern is defined as locations that lie north of the southern limit of the discontinuous permafrost zone). **Deadline:** Postmarked January 15, 2016

Gitxsan Health Society Bursary Assistance Program
The Gitxsan Health Society Bursary Program is designed to assist students entering or continuing their post-secondary education in a health related program, outside of and beyond secondary school. Approved bursary assistance is determined by (A) academic achievement and (B) hardship/need. Successful admission status to a post-secondary institution or successful completion of one or more years leading to a health related degree, diploma or certificate is required. **Deadline:** January – Please contact award provider for further details.

AMEC Aboriginal Undergraduate Engineering Scholarship for Women in Engineering
In 2006, AMEC formed a partnership with the Canadian Engineering Memorial Foundation to encourage more Canadian Aboriginal women to pursue a career in engineering. One scholarship valued at $5000 will be provided annually to Aboriginal female engineering student at the undergraduate level enrolled in an accredited university engineering program at a Canadian university.
**Deadline:** January – Please contact award provider for further details.

Tom Longboat Awards
Once a year, the Aboriginal Sport Circle recognizes the achievements of gifted Aboriginal athletes by selecting the top male and female Aboriginal athlete from each province/territory for the Tom Longboat Regional Awards. These regional recipients automatically advance as nominees for the prestigious National Award that is presented to the most outstanding male and female Aboriginal Athlete in Canada.
**Deadline:** January – Please contact award provider for further details.
CNST Northern Resident Award (Undergraduate)
The Northern Scientific Training Program is sponsoring eight awards, valued at $5,000 each, for Canadian citizens or permanent residents of Canada who are identified as long-term residents* of Nunavut, Northwest Territories, Yukon, or the Provincial North, and are enrolled in a post-secondary undergraduate diploma/degree program at a Canadian college or university during the tenure of the award (September 2015 - April 2016). *A “long-term resident” is identified as a person who has resided in the north for eight years or more. ACUNS defines northern Canada as the region on or above the line indicated on the Northern Boundary Map. **Deadline:** January 29, 2016
