Gabriel Dumont Scholarship Foundation
The Gabriel Dumont Institute has been administering scholarships for Saskatchewan’s Métis since the early 1980s through the Gabriel Dumont Scholarship Foundation. Scholarships are awarded to Métis students who are Saskatchewan residents and are registered as full-time students at an accredited post-secondary institution. The programs are intended to recognize leadership, academic ability, financial need, and community involvement of students who meet the eligibility criteria for any or all scholarship programs.
GDI Scholarships that might apply to you include: Napoleon LaFontaine Economic Development Scholarship Program, SaskTel Métis Scholarship, SaskEnergy Incorporated Scholarship Program, GDI-Cameco Scholarship (May 1 deadline only), AREVA Resources – GDI Scholarship, K+S Potash Legacy GP Inc. – GDI Scholarship, and several others. More information on all of the bursaries is available on the website. Deadline: May 1 and October 1 (annually)

American Indian Science & Engineering Society (AISES) A.T. Anderson Memorial Scholarship
AISES' own scholarship program was established in 1983 in memory of A.T. Anderson (Mohawk), a chemical engineer who founded AISES with six other American Indian scientists. The A.T. Anderson Memorial Scholarship Program is funded through a variety of sources, including memorials, private donations, AISES fundraisers, corporations and government entities. These scholarships are awarded to American Indian/Alaska Native/Native Hawaiian AISES members pursuing degrees in the sciences, engineering, medicine, natural resources, math and technology. Scholarship is non-renewable. Deadline: May 2

AISES Intel Scholarship
The AISES Intel Scholarship will fund scholarship awards to American Indian/Alaska Native AISES members pursuing degrees in the science, technology, engineering, and math (STEM) fields. This scholarship was developed by AISES and Intel to support the advancement of American Indian and Alaska Native (AI/AN) students with technical and leadership accomplishments, as well as a commitment to and passion for the computer science field. Intel Scholarships are non-renewable, and will only be awarded to a student once during their academic career. Deadline: May 2
Yellowknife Community Foundation – Pat McMahon Memorial Fund
The Pat McMahon Memorial Fund was established to assist female individuals that demonstrate community leadership in Yellowknife municipal affairs and civic pride in training or educational pursuits that support their goals. Prerequisites: Applications for the Pat McMahon Memorial Scholarship are open to female individuals resident in the City of Yellowknife, Northwest Territories for at least three years and who are pursuing a training or educational activity that supports their goals. Factors taken into consideration in reviewing grant applications from individuals include: 1) Priority in the awarding of grants will be given to female individuals demonstrating community leadership in Yellowknife municipal affairs and civic pride; 2) Grants may also be awarded to female individuals involved in demonstrating uniqueness in promoting Yellowknife or one who is pursuing studies in Tourism, Public Administration and/or Political Science. See website for more information. Deadline: May 15 (annually)

Yellowknife Community Foundation – Fine and Performing Arts Fund
The Fine and Performing Arts Fund was established to support Northwest Territories' residents interested in pursuing education or training opportunities in the fine or performing arts. Prerequisites: To be eligible, applicants must be pursuing artistic excellence in one or more of the following areas: drama, dance, music, and theatre arts including technical production, studio arts, film or photography. They also must have resided in the NWT for a minimum of one year prior to the award of the scholarship and have been accepted at a recognized program or course in the fine or performing arts, consisting of a minimum of 100 hours duration. See website for more information. Deadline: May 15 (annually)

Yellowknife Community Foundation – Mary Beth Miller Memorial
The Mary Beth Miller Memorial Fund was established to support individuals or organizations who are interested in pursuing / developing sport excellence in cross-country skiing, biathlon, mountain biking, speed skating, canoeing or kayaking. For individuals, grants may be used to purchase equipment, assist with travel costs, purchases, coaching or technical services or to attend a leadership training event. To be eligible, individual applicants must be pursuing sport excellence in cross-country skiing, biathlon, mountain biking, speed skating, canoeing or kayaking. They must also have resided in the NWT for at least two years. See website for more information. Deadline: May 15 (annually)

Yellowknife Community Foundation – Chris Argue Memorial Fund
The Chris Argue Memorial Fund was established to assist individuals or organizations involved in the development of leadership skills and self-confidence through self-propelled wilderness travel in the Northwest Territories. Grants may be used for travel, providing leadership or skills training, attending courses, programs or training or promotional activities related to self-propelled wilderness travel in the Northwest Territories. To be eligible, individual applicants must demonstrate their leadership in the promotion of self-propelled wilderness travel, have clear short and long-term goals related to this field and show that they will contribute to the community or the NWT in this field. They must also have resided in the NWT for at least two years. See website for more information. Deadline: May 15 (annually)
**Yellowknife Community Foundation – The Gary Robinson Memorial Fund**
The Gary Robinson Memorial Fund provides financial support to those individuals or charitable organizations involved in search and rescue/recovery or emergency response activities. Although priority will be given for these purposes grants can also be awarded to individuals or charitable organizations involved in outdoor skills and or survival training. Grants may be used to purchase equipment, assist with program costs, purchase technical services or to attend or hosting training seminars or workshops. Through this fund, it is his family's hope that Gary will continue to protect and help the people of this place that he loved so much. To be eligible, individuals must be residents of the City of Yellowknife, Northwest Territories. Organizations must be based in or have a registered office in the City of Yellowknife. See website for more information. **Deadline: May 15 (annually)**

**Yellowknife Community Foundation – Lilly Borges Oldham Second Language Scholarship Fund**
The Lilly Borges-Oldham Second Language Scholarship Fund was established to assist individuals interested in studying second languages and / or cultures at a post-secondary institution. To be eligible, individual applicants must be registering in a recognized post-secondary program of study in a second language or culture. They must also be a Grade 12 or adult student and a resident of Yellowknife for their grade 11 and grade 12 years. See website for more information. **Deadline: May 15 (annually)**

**Yellowknife Community Foundation – The David Sutherland Memorial Fund**
The David Sutherland Memorial Fund was established to support the activities and development of young cross country skiers in the NWT. Individuals must be members of an NWT cross country ski organization recognized by Sport North Federation and must be an NWT resident for at least two years. Organizations must be NWT cross country ski organizations as recognized by Sport North Federation. See website for more information. **Deadline: May 15 (annually)**

**Yellowknife Community Foundation – The Northern Aviation Scholarship Fund**
Established in memory of pilots John Bidwell and Jim Smith. The Northern Aviation Scholarship Fund was established to support individuals who intend to pursue post-secondary education in the aviation industry, for example, as a pilot, engineer or flight attendant. To be eligible, individual applicants must have resided in the NWT or Nunavut for at least two years and be pursuing post-secondary education in an aviation related field. See website for more information. **Deadline: May 15 (annually)**

**Indspire Building Brighter Futures • Legal Studies for Aboriginal People Pre-Law Bursary (LSAP)**
Indspire is a charitable organization dedicated to raising funds to deliver programs that provide the tools necessary for Indigenous peoples, especially youth to achieve their potential. See website for more information. **Deadline: May 15 (annually)**

Kakiniit: Nunavut Day Grants
In celebration of the creation of Nunavut, Nunavut Tunngavik Incorporated (NTI) created Kakiniit Nunavut Day Grants to support Inuit engaging in activities that promote, preserve or celebrate Inuit culture, or who are pursuing post-secondary academic programs. The grants are co-funded by NTI and the Government of Nunavut (GN). You are eligible for this financial assistance if you are: 1) A beneficiary of the Nunavut Land Claims Agreement; 2) Acquiring a skill or knowledge encompassing Inuit Qaujimajatuqangit, including but not limited to harvesting, sewing, learning Inuktitut/Inuinnaqtun; 3) Will be enrolled as a full-time or part-time student at the postsecondary level pursuing a certificate, trade, diploma or degree. See website for more information. **Deadline: May 31 (annually)**

Alberta Human Services – Métis and Non-Status Bursary Program
The ministry of Human Services may be able to help you pay for your post-secondary education in the social services field. Bursaries from Human Services are available for full-time or part-time studies. Full-time applicants can be awarded up to $19,200. Bursary applications are accepted annually from January 1st to May 31st. Registration at a university or college is not required before submitting an application, but confirmation of enrolment will be required before the bursary is awarded. Applications are reviewed and decisions are made in June. All applicants must: 1) be either Métis or Non-Status Indian; 2) have a financial need; 3) have been an Alberta resident for at least three years prior to applying; 4) demonstrate an investment in, and a commitment to, aboriginal communities in Alberta. Please see website for additional information. **Deadline: May 31 (annually)**

The Weather Network Aboriginal Scholarship Opportunity
The Weather Network educational incentive award is to create interest among Aboriginal peoples in the Canadian Broadcasting industry. One scholarship of $500 is awarded each year. We welcome applications from status or non-status Aboriginal full-time students. Applicants should be enrolled in a Broadcasting or Journalism Program at a Canadian College or University and have received passing marks in their previous year of study. Applicants are committed students who want to contribute and have enthusiasm for their chosen career path. If no students apply from these programs then the award may go to an Aboriginal student in another school program specifically, Communication, Business Administration, Meteorology, Computer Science, Graphic Design or Engineering Technology. Students interested in applying for this scholarship are asked to submit school transcripts from the most recent year of study, a letter of reference and resume. **Deadline: May 31 (annually)**
