These courses will be offered in the 3 week block and will have CSL placements.

### Upcoming Three Week Courses with CSL

**AUENV 120 - Human Activities and the Natural Environment**

The objective of this course is to examine the impacts of human actions on the environment and the solutions from global, national, and personal perspectives.

**CSL placement objectives:**
- Opportunities for fieldwork
- Education
- Programming
- Finding solutions to environmental challenges

**AUIDS 230 - Introduction to Women’s Studies**

This course encourages students to challenge seemingly natural and obvious truth claims regarding the meanings of gender, sex, sexuality, class, and race in contemporary societies.

**CSL placement objectives:**
- Observe and critically reflect on beliefs and social practices on gender in society
- Support initiatives that empower and educate women and girls
- Past placements included girls’ and women’s groups, sports teams, senior’s groups, non-profit organizations

### Looking Forward — Augustana’s New Calendar!

In the 2017-2018 Academic year, Augustana will implement a new calendar......

**Fall Semester:** 3 Week Block Aug 31 – Sep 19 & 11 Week Session Sep 25 – Dec 11

**Winter Semester:** 3 Winter Block Jan 3 – Jan 19 & 11 Week Session Jan 24 – April 16
