- A community of families sharing songs, instrument play, rhythm chants, and movement activities in a relaxed, playful, non-performance-oriented setting.
- Music learned through developmentally appropriate activities that support and respect the unique learning styles of very young children.
- Infants, toddlers, and preschoolers participating at their own levels in family-style classes of mixed ages.
- Parents and caregivers contributing to the enrichment of their child’s music environment regardless of their own musical abilities.
- A new song collection every semester for a 3-year cycle, featuring original and traditional songs in a wide variety of cultural styles.
- 45 minutes of PURE FUN with your child every week!

INSTRUCTOR

Stephanie Olson has both a Bachelor of Music and a Bachelor of Education from University of British Columbia and recently completed her Masters of Education in early childhood/primary music. She has been teaching in the school systems since 2011 and has been a certified Music Together instructor since 2008. Stephanie has taught many sessions of the curriculum since that time, both in an early childhood setting and in the school classroom and is excited how the program has been received in Camrose in its inaugural year.

LOCATION

All classes take place at the RICHARD HUSFLOEN CENTRE, 4316-38 street. (This is a University building in the east end of Camrose.) Classes take place on the second floor.
