**Practice Opportunities:**

There are several practice rooms available at Augustana, located on the lower level of the Faith and Life building. Keys for them may be requisitioned from Facilities Services directly (a punch code is provided for entrance to the building). Facility Services are located in the building at the south end of Campus behind the Freshman Residence. A substantial charge will be applied to your Augustana account at the end of the year for each UNRETURNED key. Please return your key/s to Facilities Services when you no longer need access to the practice rooms (normally at the end of the academic year). Take care of your keys as losing them will result in the locks being re-keyed - a costly mistake for the student and a major inconvenience to the facilities & operations dep’t as well as all Faith and Life users.

Practice rooms are available to all students registered in the University Applied Music Program (UAMP) and Conservatory with the following guidelines:

- 1 hour lesson - maximum 150 minutes per day
- ¾ hour lesson - maximum 90 minutes per day
- ½ hour lesson - maximum 60 minutes per day
- ensembles - an additional 60 minutes per day

Your instructor will expect you to use the maximum time allotted to practice! There will be timetables for each practice room where you may sign up for practice times between 8:00 a.m. and 9:00 p.m. during weekdays. All practice room reservations are to be made on these practice room sign up sheets which are available shortly before 9:00 a.m. the Monday following the 1st full week of lessons in each term. Please remove your name should you no longer need or be able to use the time you have signed up for. **Should the person signed up for practice times not be in the practice room 10 minutes after the start time listed on the timetable, their time will be forfeited to whomever wishes to use it.** Students who have 1 (one) hour/week lessons may also book practice time in classroom A024 when it is not in use. This room must be booked through Charlene Brown, Conservatory Administrator at ph.780-679-1673.

Practice rooms are available on weekends/holidays and prior to 8:00 a.m. and after 9:00 p.m. weekdays on a first-come-first-served basis.

The grand piano practice rooms are reserved for piano performance majors.
