Your work will focus on the delivery of our watershed education and outreach programs. Some in-office research, writing and event coordination will also be part of your job. You must enjoy working with youth and adults and have a passion for our community. This position requires you to show your understanding of watersheds and related issues in the Battle River and Sounding Creek Watershed.

Your Duties include:

- Assist in the development, promotion and delivery of education activities and events
- Share your passion and interest for land and water conservation
- Contribute stories and pictures to use in our outreach materials
- Carry out research related to watershed management planning
- Assist with watershed stewardship group citizen science programs
- Conduct community presentations

Qualifications and Requirements:

- You are friendly and organized
- The quality of the work you produce is important to you
- You can lead groups of students in activities and games
- You are comfortable working with various groups of all ages
- You want to work in a fun, creative office environment (love of Saskatoon pie is a bonus!)
- You are a good writer, presenter and public speaker
- You are effective working independently and as part of a team
- You are good at searching for relevant literature in a library or through the internet
- You can be available for some work during evenings and weekends for specific events
- You know your way around Microsoft Office programs and social media
- You have a valid driver’s license
- You are going back to school in the fall and under 30 years old as of May 2017

Position is based in Camrose, Alberta

If hired you must get a police clearance certificate (you will be reimbursed)
Wage: $15.00-$17.50 per hour (35 hour/ work week)
Submit your cover letter and resume by Monday January 30th, 12pm MST to:
