Ministry
Environment and Parks

About Us
We support Albertans in being proud stewards of air, land, water, and biodiversity by leading the work required for the desired environmental outcomes and sustainable development of natural resources.

For more information about the Ministry of Environment and Parks, please visit our website at: [http://aep.alberta.ca/](http://aep.alberta.ca/)

Role
The Parks Enforcement Branch of Alberta Environment and Parks is inviting applications for positions as Alberta Park Rangers from individuals who have high integrity, demonstrate professionalism and are highly motivated.

Multiple locations in Alberta are now hiring Park Rangers to assist park visitors to have a safe and enjoyable experience while visiting Provincial Parks, other protected areas and Public Lands. As peace officers, your responsibilities will include ensuring compliance with provincial and federal resource legislation within the mandate of Alberta Parks which includes education, prevention and enforcement duties. You will assist in the oversight of contracted services and undertake resource management tasks, including human/wildlife conflict prevention. In addition, your responsibilities will include maintenance and other functions within the mandate of the Alberta Parks program. You will also use your superior communication skills to provide information to park visitors on features, attractions and important land management messaging within the protected areas network.

The ability to work both independently and as part of a team while demonstrating the Alberta Public Service values of respect, integrity, accountability and excellence in everything you do is essential to your success.
Qualifications

Note: Please thoroughly read the Qualification and Application requirements and submit your application following all instructions. Please include specific dates (including months and years) associated with all education and work experience. Please indicate if work experience is casual, part-time, or full-time.

Attendance in post-secondary education and/or directly related experience in conservation enforcement, criminal justice/police science, natural resource management, or related field is the minimum requirement to be considered for this role.

The following will be considered assets to your application:
- Directly related experience in conservation, natural resource management, law enforcement or related fields.
- Demonstrated roles reflecting superior interpersonal communication and relationship skills.
- Experience and understanding of legal principles, practices, and court systems.
- Working knowledge of firearms.
- Experience with boats, all-terrain vehicles and snowmobiles.
- Alignment with the required behavioural competencies of the role.

Please clearly indicate your demonstrated experience in the above assets in your application for their consideration.

NOTE: This is a seasonal wage opportunity.

All candidates must have and produce at the time of interview:
- Valid Class 5 Operator's License,
- Recognized current Standard First Aid Certificate
- Current CPR Level "C" Certificate
- Defensive Driving Certificate (within three years)
- Drivers Abstract
- Educational transcript at the time of interview.

If selected for an interview, candidates are encouraged to bring a successful PARE physical test with a time of 4.45min or less completed no earlier than November 10th, 2016. If the candidate cannot obtain a successful PARE test prior to their interview date, proof of a scheduled PARE test must be provided.

Final candidates will be required to provide an acceptable Criminal Record Check and undergo pre-employment psychological testing prior to any offers of employment.

Competencies

Competencies are behaviours that are essential to reach our goals in serving Albertans. We encourage you to have an in depth understanding of the competencies that are required for this opportunity and to be prepared to demonstrate them during the recruitment process. The links below will assist you with understanding competencies:

http://www.chr.alberta.ca/APSCompentencies

Agility - Ability to anticipate, assess, and readily adapt to changing priorities, maintain resilience in times of uncertainty and effectively work in a changing environment

Building Collaborative Environments - Leads and contributes to the conditions and environments that allow people to work collaboratively and productively to achieve outcomes.

Creative Problem Solving - Ability to assess options and implications in new ways to achieve outcomes and solutions.

Salary
Notes
All chosen candidates will be required to attend and successfully complete a 12
consecutive day mandatory training program in early May which includes control
tactics/use of force training which is physically demanding in nature. Travel, shift and
weekend work will be required.

How to Apply
Online applications are preferred. Applicants are advised to provide information that
clearly and concisely demonstrates how their qualifications meet the advertised
requirements, including education, experience and relevant examples of required
competencies.

Note: As only one file can be uploaded, please ensure your cover letter, resume and any
other related documents are submitted in one file. Please ensure that this document is
saved using the naming convention of your first then last name (Joe_Smith).
Applicants who apply online will be able to track the status of this competition.

If you are unable to apply online, please submit your cover letter and resume, quoting the
Job ID, to: Clotilde Santos-Carreiro, Environment and Parks, Human Resources, 4th
Floor, Petroleum Plaza, South Tower, 9915-108 Street, Edmonton, AB, T5K 2G8.
Fax: (780) 427-2513.

It is recommended that applicants who have obtained educational credentials from
outside of Canada and have not had them previously assessed, obtain an evaluation of
their credentials from the International Qualifications Assessment Service (IQAS) -
http://work.alberta.ca/immigration/international-qualifications-assessment-service.html It
is recommended that applicants include the assessment certificate from IQAS or any
other educational assessment service as part of their application.

Position Profile
To be posted soon.

Closing Statement
We thank all applicants for their interest. All applications will be reviewed to determine
which candidates’ qualifications most closely match the advertised requirements. Only
individuals selected for interviews will be contacted.

Interviews will take place in Alberta, British Columbia, and Ontario and are expected to
take place January 16 to February 3, 2017.

If you require any further information on this job posting, please contact Clotilde Santos-
Carreiro at ESRD.HRS@gov.ab.ca. If this competition is closed as per the closing date
noted above, please continue to check http://www.jobs.alberta.ca for a listing of current
career opportunities with the Government of Alberta.
