On June 2, you will transform.

The moment that parchment hits your hands, you will suddenly move from Augustana student to Augustana graduate and member of a worldwide community of more than 250,000 University of Alberta alumni, with more than 10,000 from your very own Augustana Campus.

Congratulations on a job well done. Now it’s time to collect the reward—and the recognition—you deserve for your years of hard work.

As you move on to the next chapter of your life, we hope you’ll always remember where you came from. Take advantage of opportunities to stay connected with your fellow alumni; not only can you benefit personally and professionally, but together we can make a difference in our communities around the world.

There are two alumni organizations to serve you. You can find out more about the University of Alberta Alumni Association at www.ualberta.ca/alumni and the Augustana Campus Alumni Office at www.ualberta.ca/augustana/alumni-and-giving. Throughout the year, we’ll keep you in the know about Augustana alumni career mixers, professional development and special events. We share information on lectures, student presentations and fine arts performances, plus there are many opportunities for our alumni to help give back to the communities that give to us so much. Be sure to also check out www.ualberta.switchboardhq.ca, a new online tool that connects you to your UAlberta community—including alumni, students, faculty and staff. Ask for career advice, offer your expertise, post or discover a job.

Congratulations again. We are confident that you will continue to make Augustana proud of your achievements as you become an active citizen, creative problem solver and thoughtful leader. We hope you will join us at the Alumni Reception following the Convocation Ceremony to celebrate!

We hope to hear from you soon and often!
