Students are responsible for the completeness and accuracy of their registration and for completion of the program requirements as outlined in the Academic Calendar. This document should be used for reference in course planning for application to the Athletic Therapy program, Mount Royal University. Ultimately students need to check with Mount Royal University to confirm their course selection is appropriate for application to their intended program. The information below is correct as of the date on the bottom.

**Note: The Athletic Therapy Certificate is now delivered over two years.**

Applicants for the **Athletic Therapy Advanced Certificate** program must possess a degree in kinesiology, physical education, human kinetics, exercise science or equivalent. Diplomas, certificates and/or relevant experience will not be accepted as equivalent to a degree.

Applicants to the certificate program are classified as Category 1 or Category 2. Category 1 applicants have a completed degree and must meet the criteria outlined below. Category 2 applicants are attending a partner institution and must meet criteria as established by the partner institution.

**Category 1 Applicants**

Applicants for the Athletic Therapy program must possess a degree in kinesiology, physical education, human kinetics, exercise science or equivalent. Successful applicants must have completed the following courses (either as part of their degree matriculation or subsequent to the degree). To determine if courses you have taken are equivalent to these courses, you may need to provide a detailed course outline if we have not previously evaluated the course you are presenting.

- Human Anatomy
- Human Physiology
- Exercise Physiology
- Biomechanics
- Prevention and Care of Athletic Injuries
- Introductory Flexibility and Relaxation - not offered at Augustana Campus
- Introductory Strength Training - not offered at Augustana Campus

For Category 1 students, admission is competitive and preference will be given to applicants with a minimum Grade Point Average of 3.00 on the conditional and final admission average. Conditional admission will be based on the four most recently completed courses by Dec. 31 and final admission will be based on the eight most recently completed courses by June 30. In addition, preference will be given
to applicants with a Grade Point Average of 3.00 in Human Anatomy and in Prevention and Care of Athletic Injuries.

Category 2 Applicants

Students enrolled in the Athletic Therapy program at a partner institution will attend Mount Royal to complete their degree requirements. Students interested in this route should refer to each institution's academic advisor(s) and/or calendar requirements for more admission criteria information.

Category 1 and 2 Applicants

The following courses may not be part of the standard kinesiology, physical education, human kinetics or exercise science curriculum. Therefore, students are typically accepted into the program but unable to graduate from the certificate until they can provide proof of completion of the courses. Arrangements can be made to take these courses in the department.
