Augustana Campus planning form for Doctor of Medicine degree
Faculty of Medicine & Dentistry, University of Alberta

Students are responsible for the completeness and accuracy of their registration and for completion of the program requirements as outlined in the Academic Calendar. This document should be used for reference in course planning for application to the Doctor of Medicine program in the Faculty of Medicine & Dentistry, University of Alberta. Ultimately students need to check with the Faculty of Medicine & Dentistry to confirm their course selection is appropriate for application to their intended program. The information below is correct as of the date on the bottom.

For students wishing to go into Medicine at University of Alberta, there are no specific prerequisite courses. The following courses are recommended for the purposes of preparing for the MCAT and the interview only. They are not required and they do not indicate that a student should take any particular major. Students should be taking ANY major that they enjoy the most and that they will get the best grades in.

All applicants to the MD program must be registered in or have completed a degree program. The minimum cumulative GPA requirement for applicants with four or more years of post-secondary transferable course work is 3.3 for Alberta residents and 3.5 for non-Alberta residents on the University of Alberta 4.0 scale. Applicants must have completed one academic year (fall/winter terms) containing 30 units of course weight in order to assess whether students will be able to handle the course load when registered in the Medicine program. Spring and summer courses are not included in the cumulative GPA calculation.

Other requirements:

- Personal Activities Section
- Transcripts
- MCAT: Medical College Admissions Test
- Reference letters
- MMI: Multiple Mini Interview
