Augustana Campus planning form for Medical Laboratory Science
Faculty of Medicine and Dentistry, University of Alberta

Students are responsible for the completeness and accuracy of their registration and for completion of the program requirements as outlined in the Academic Calendar. This document should be used for reference in course planning for application to the Medical Laboratory Science program in the Faculty of Medicine and Dentistry, University of Alberta. Ultimately students need to check with the Faculty of Medicine and Dentistry to confirm their course selection is appropriate for application to their intended program. The information below is correct as of the date on the bottom.

Pre-Professional Year:
Those wishing to enrol in the Medical Laboratory Science integrated Bachelor of Science program are required to complete a Pre-Professional year prior to applying for admission to the Faculty of Medicine and Dentistry. The required courses, or their equivalents, are available at a number of universities and community colleges in Alberta.

Medical Laboratory Science (U of A) admission requirements:
A. 6 credits English
   a. AUENG 102, 103, 104
B. 6 credits General Chemistry
   a. AUCHE 110 and 112
C. 6 credits Organic Chemistry
   a. AUCHE 250 and 252*
D. 3 credits Biology (cell biology)
   a. AUBIO 111
E. 3 credits Biology, Genetics, Microbiology, or Zoology
   a. AUBIO 112 - necessary for completing requirements in 1 year
   b. AUBIO 112, AUBIO 260, AUBIO 274 or AUBIO 395 - if completing requirements in 2 years (see Note H)
F. 3 credits Statistics
   a. AUSTA 153
G. 3 credits Options
   a. Any other Augustana course found on the First Year Courses Available Document
H. Students are encouraged where possible to take these courses (equivalent to 30 credits at the University of Alberta) as one year of full-time study. Preference will be given to those students who have completed the required 30 credits in one academic year. An applicant may not benefit from additional post-secondary courses.
I. *First-year students may enrol in AUCHE 250 and 252 if they received a final grade of at least 80% in Chemistry 30 (or equivalent). Your Admissions Advisor will need to enrol you in this class.
**Other requirements:**

- Grade Point Average
- Letter of Intent
- Interview
- English Language Requirement

The information above is provided as advice. As such, students wishing to transfer to another Faculty should consult that Faculty. You can view the Faculty of Medicine and Dentistry, Medical Laboratory Science program requirements [here](#).

1.) This information is to be used in conjunction with the Academic Calendar [here](#).
2.) Students are responsible for the completeness and accuracy of their registration and for completion of the program requirements as outlined in the Academic Calendar.
3.) This requires careful attention to course selections and compliance with pre/co-requisite requirements [here](#).
4.) If you are planning on pursuing a professional program, or if you are not going to complete your degree at Augustana, you should contact the institution or other UofA faculty which you wish to transfer to, to ensure that you meet all necessary requirements.
5.) If you have completed more than 6 credits of previous university work, contact your Augustana Academic Advisor [here](#).
6.) If you are planning to try out for any music ensemble, or take private music lessons, you should inform your Augustana Admissions Advisor [here](#). Music ensembles and private music lessons need to be time-tables, as they count towards your total credit amount.
7.) Registration in these courses must be done using Bear Tracks. If you have questions about your course selection, please contact your Augustana Admissions Advisor.
