LEADING SERIES:
A GROUNDED APPROACH FOR EXPERIENCED PROFESSIONALS

Executive Education

Program Overview

Success in today’s business world requires a strong ability to lead formally and informally. At all levels, leaders are responsible for building and developing a results-based culture designed to advance organizational objectives while engaging people. Leadership is important whether leading self, small teams or large organizations. The Leading Series sessions will provide you with a grounded approach to exploring leadership. Through a combination of new experiences, thoughtful reflection, the examination of powerful concepts and the effective application of tools, you will take away new insights and practical knowledge in how you approach leadership in your team, project or organization.

PROGRAM HIGHLIGHTS

LEARN KEY INSIGHTS about your unique leadership style and identify strengths and DEVELOPMENT OPPORTUNITIES

LEARN A SITUATIONAL COACHING FRAMEWORK to support you leading within the culture of your team/project or organization
