

Consortium List of Top Management Journals

(June 2012)

Publishing in recognized top journals provides an important signal of quality that is useful in the evaluation of scholarly productivity. This list provides guidance to management scholars regarding what journals are recognized as top outlets for their work. It is neither meant to be exhaustive nor definitive, but it does aim to incorporate most of the widely recognized/elite journals (including top disciplinary journals) as well as other distinguished journals for management scholarship.
