Planning your Next Steps

1) Apply as early as possible!
   A) Apply the first week of July 2018 if you have already completed post-secondary coursework
   B) If you have not yet started post-secondary coursework applications will open October 1, 2018

1) Check your Bear Tracks ToDo list items and ensure documents are sent in as soon as possible so that your application will be complete.

2) If you are planning on taking courses in the upcoming academic year use the 2018/2019 University Calendar as a guide when you are selecting your courses.

4) If you are taking courses at an external institute be sure to use the Transfer Alberta Guide to see if there is a transfer agreement between institutions specifically for the course you are planning on taking.
