

RENEWABLE ENERGY IN A POST COP21 WORLD: Possibilities for Alberta

Keynote talk by **Rainer Hinrichs-Rahlwes**

Vice-President, European Renewable Energies Federation (EREF);
Board Member, German Renewable Energy Federation (BEE)

Followed by a panel discussion featuring participants from the
University of Alberta and University of Calgary

Wednesday, May 4, 2016
5:00 - 6:30 PM

Rainer Hinrichs-Rahlwes will explore the renewable energy transition (Energiewende) and climate protection policies in both Germany and Europe, highlighting how the best practices might be translated into addressing the challenges of a renewable energy transition in Alberta.

Admission is free
Light reception to follow
