

**Position:** Physical therapist, full-time

**Organization:** Glen Sather Sports Medicine Clinic

**City:** Edmonton, AB

**Closing date:** July 7, 2017

**Apply to:** Ian Hallworth, [ianh@ualberta.ca](mailto:ianh@ualberta.ca), 7804382895

**Website:** [glensatherclinic.ualberta.ca](http://glensatherclinic.ualberta.ca)

**Description:** Are you interested in working in a patient-centered university clinic with a vision to be leaders in sport and exercise therapy, and musculoskeletal care? Are you interested in being part of a multi-disciplinary team of physical therapists, kinesiologists, sport and exercise medicine physicians, orthopedic surgeons, and massage therapists?

The Glen Sather Sports Medicine Clinic's mandate & aim is to provide innovative patient centered clinical service, clinical research, and learner education. The Glen Sather Sports Medicine Clinic, celebrating its 29th year, moved to its present location at the Kaye Edmonton Clinic five years ago, more than doubling its size, and has been growing in leaps and bounds since. We are looking for an experienced innovative team player to join our physical therapy team.

This contractor position has its own full case load. As well, there are opportunities to work in our multi-disciplinary care team clinics including acute knee injury, ACL, functional knee, surgical and non-surgical shoulder, performing arts, and concussion clinics which take place either at our home site or at our satellite site, the Prevention & Return to Activity Centre at Foote Field, South Campus.

The opportunity to work with university sports teams is a possibility. Completion of advanced orthopedic courses and/or sports therapy certification would be an asset.

If this sounds like your kind of work environment, if you have a minimum of 5 years of experience working with an active population, and if you are (or eligible to be) registered with Physiotherapy Alberta, College and Association, this could be what you are looking for!

For more information or to submit an application with curriculum vitae, please contact Ian Hallworth, [ianh@ualberta.ca](mailto:ianh@ualberta.ca).
