Ethics Defined

Ethics shape the way we live – what we do, what we say and the way we govern our lives.

We ask ethical questions whenever we think about how we should act.
The Ethics Centre

1. Would I be happy for this decision to be headline news tomorrow?

2. Is there a universal rule that applies here?

3. Will the proposed course of action bring about a good result?

4. What would happen if everybody did this?

5. What will this proposed action do to my character or the character of my organisation?

6. Is the proposed course of action consistent with my values and principles?
