2. Minutes from the 25 February 2019 GSA Council meeting

Members had before them the 25 February 2019 GSA Council Minutes, which had been previously distributed on 8 March 2019. B Richardson MOVED; K Kis SECONDED.

Changes in GSA Council Membership

3. Changes in GSA Council Membership

GSA Council Member Announcements

4. GSA Council Member Announcements

M Waddingham informed GSA Council that the Alberta Provincial Advocacy Council (ab-GPAC) would be holding its annual transition meeting in mid-April and invited anyone with questions about ab-GPAC to approach him or F Elian.

Action Items:

5. GSA Health and Dental Plan Fee for 2019-2020

F Elian (Vice-President Student Services) presented the item and introduced the guests, Kristin Foster (Director of Partnership & Development, Studentcare) and Colten Yamagishi (Program Manager, Studentcare).

MOTION BEFORE GSA COUNCIL: That GSA Council APPROVE that the GSA Health and Dental Plan Fee be set at $500.36/annum, effective 1 September 2019, with collection from graduate students to begin 1 September 2019.

F Elian noted that he was pleased to share with GSA Council that there would be no increase in the GSA Health and Dental Plan fee for next year. He added that the GSA Board had been discussing increasing dental coverage for 2019-2020 and was waiting on the February claims report from Studentcare to recommend this increase to dental coverage to GSA Council, hopefully either in April or May.

C Yamagishi explained that the report before GSA Council members outlined Studentcare’s projections for the 2019-2020 Plan cost based on claims made since September 2018 and that these projections were used to negotiate the Plan’s premium with insurance provider (Desjardins). He added that, based on the claims, there was no need for an increase in the Plan fee. He specified that the proposed 2019-2020 Plan fee was greater than the premium and that moderate increases in coverage could be made to achieve a better maximization of the Plan (the best coverage for cost).

GSA Council members then asked a series of questions including, but not limited to, the impact of this motion to the 2019-2020 Operating Budget, as when it was approved last month it included a projected 5% increase to the Plan fee (C Thomas clarified that that increase was a placeholder for the purpose of budget projection and the actual amount of the fee would now be shown) and the cause for increases in health claims per capita and for decreases in dental claims (C Yamagishi noted that this could be explained by a large increase in optical claims, an increase in the amount individual claims and in the number of claims, an increase in paramedical practitioners (psychology, chiropractic, and massage increased as more doctors now recommend these treatments), and medical equipment claims that were of a one-off nature and not captured as trends (wheelchairs, for example)).

MOTION: That GSA Council APPROVE that the GSA Health and Dental Plan Fee be set at $500.36/annum, effective 1 September 2019, with collection from graduate students to begin 1 September 2019.

F Elian MOVED; M Waddingham SECONDED. 

Motion PASSED unanimously.

7. **Recommended Changes to GSA Bylaw and Policy on Membership**

Sasha van der Klein (President) presented the item.

**MOTION BEFORE GSA COUNCIL**: That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section B: Members and associated changes throughout GSA Bylaw and Policy, as shown in the attached double column document and track changes document and effective upon the second reading by GSA Council in the case of GSA Bylaw and the approval of GSA Council in the case of GSA Policy.

S van der Klein indicated that that the terms ‘graduate student’ and ‘GSA member’ were currently used interchangeably throughout GSA Bylaw and Policy, and that the recommended changes more clearly defined instances in which each term needed to be used. There were no questions.

**MOTION**: That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section B: Members and associated changes throughout GSA Bylaw and Policy, as shown in the attached double column document and track changes document and effective upon the second reading by GSA Council in the case of GSA Bylaw and the approval of GSA Council in the case of GSA Policy. M Miazga-Rodriguez MOVED; M Armstrong SECONDED.

Motion PASSED unanimously.

8. **Recommended Changes to GSA Bylaw and Policy on Grants and Bursaries**

S van der Klein (President) and F Elian (Vice-President Student Services) presented the item.

**MOTION BEFORE GSA COUNCIL**: That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section P:
GSA Grants and Bursaries, as shown in the attached double column document and effective upon approval by GSA Council.

S van der Klein summarized that a number of these recommended changes were editorial, and that the more substantive changes included modifying the age limit associated with eligibility for the GSA Child Care Grant (GSA CCG) from the age of 12 up to the age of 18, increasing the maximum amount provided for a GSA Emergency Bursary (GSA EB) from $2000 to $4000, and outlining appeals processes adhered to the tenets of procedural fairness. She noted that, as per GSA Policy, the President could make exceptions to increase the amount of an individual GSA EB beyond $2000, and that since these exceptions were currently made for the majority of GSA EBs, it made sense to increase the limit in GSA Policy.

B Chow asked for the rationale as to why the GSA CCG currently had an age limit of 12 (historically, the application process for these grants required proof of daycare receipts, and daycare was only provided up to the age of 12, but this grant was no longer solely intended to cover daycare costs) and J Fath asked whether this funding was a more general grant to support the costs of raising children (it was confirmed that this was the case).

**MOTION:** That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section P: GSA Grants and Bursaries, as shown in the attached double column document and effective upon approval by GSA Council. B Todd MOVED; B Richardson SECONDED.

Motion PASSED unanimously.

**Elections:**

9. GSA Council Elections

GSA Standing Committees

a. GSA Nominating Committee (1 vacancy)

Nominees for GSA Nominating Committee:
Damandeep Singh (MBA)

P Baddam (Speaker) presented the item and introduced the nominee, who was given the opportunity to address GSA Council by responding to a question provided in advance. P Baddam asked the following question of the candidates for GSA Nominating Committee and the candidate was given 45 seconds to respond: “Taking 45 seconds, please tell us why you’d like to serve on the GSA Nominating Committee.”

**Reports**

11. Vice-President Academic

i. Vice-President Academic’s Report:
Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted. In addition, M Aliramezani reported that the Faculty of Graduate Studies and Research (FGSR) was in the process of
developing a policy to make it possible for domestic students to modify their registration from full-time to part-time (international students had to remain full-time for their study permits). He wanted to share this with GSA Council members to see if they had any specific comments, and noted he would be monitoring the development of this proposed policy for any potential side-effects for graduate students, who would need to be made aware of the funding opportunities they could lose if they switched from full-time to part-time. Members posed a few questions, including but not limited to why this option wasn’t currently available (the rationale provided by the Interim Dean of the FGSR was that it was to encourage students to finish their programs earlier, but that it had not seemed to reach the intended result); and whether this policy would apply to all faculties and departments, and whether it would affect minimum funding packages currently in place (if the policy was approved, it would apply to all departments, and it would impact access to any minimum funding packages that required graduate students to maintain full-time registration, which was why it would be important to inform graduate students about the potential funding they may lose when deciding whether to switch from full-time to part-time).

12. Vice-President External
   i. Vice-President External’s Report
   Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted.

13. Vice-President Labour
   i. Vice-President Labour’s Report
   Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted. In addition, B Richardson reported that the GSA had successfully negotiated with the University a substantial increase to the Graduate Student Support Fund, which was used to support graduate students through the GSA Academic Travel Grants, and the GSA Child Care Grants, the GSA Emergency Bursaries, and the GSA Recognition Awards. She reported that an email had been sent to all graduate students announcing this increase, and that negotiations for the increase had been done in parallel to the collective agreement negotiations (as this fund was for all graduate students, and not just academically-employed graduate students). Additionally, she encouraged all GSA Council members who were members of the bargaining unit to continue reading the email updates about the ongoing collective agreement negotiations.

   ii. GSA Labour Relations Committee Report
   No written report at this time.

14. Vice-President Student Services
   i. Vice-President Student Services’ Report
   Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted.

15. Senator
   i. Senator’s Report
   No written report at this time.

16. Speaker
   i. Speaker’s Report
   Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted. In addition, P Baddam noted that based on the feedback provided in the GSA Council survey in February, her report included two suggested modifications to GSA Council meetings: providing estimated start and end times for each agenda item, and moving GSA Council elections to the start of each GSA Council agenda. Following a discussion of these two suggestions, GSA Council members voted in a straw poll to provide their feedback (the results of this were a desire to try timed agenda items for the next two meetings and to leave elections in its current place on the GSA Council agenda).

17. Chief Returning Officer
   i. Chief Returning Officer’s Report
   Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted.
18. GSA Nominating Committee
   i. GSA Nominating Committee Report

Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted. In addition, R Barta stated that at the last in-person GSA Nominating Committee (GSA NoC) meeting in January, the GSA NoC agreed that nominees for the GSA Council-Elected Officer positions of Senator, Speaker, Deputy Speaker, Chief Returning Officer (or CRO), and Deputy Returning Officer (or DRO) merited a more rigorous vetting process than what was already in place (nominees for a given position were invited to attend the GSA Council meeting when the election for the given position took place, and if all nominees were present, they were invited to speak to GSA Council before ballots were cast). R Barta proposed three different options that the GSA NoC had suggested to modify the current process. These options were: that GSA Council members have the opportunity to ask questions of all the nominees for a given GSA Council-Elected Officer position, similar to the style of a forum, or that GSA Council members have the opportunity to ask questions of each nominee for a given GSA Council-Elected Officer position, individually, while the rest of the nominees for that same position are asked to step outside the room, or that the GSA NoC, on behalf of GSA Council, conduct an individual interview with each nominee for a given GSA Council-Elected Officer position prior to the meeting of GSA Council, similar to the procedure undertaken by the GSA NoC in approving nominees for vacancies on the GSA Appeals and Complains Board. GSA Council members discussed the various options at-length, and then voted in a straw poll to provide their preferences for the three options and indicated a preference for the second option. R Barta thanked GSA Council members for their feedback, which he would take back to the GSA NoC for further discussion and informed GSA Council of these discussions at a later meeting.

19. GSA Elections and Referenda Committee
   ii. GSA Elections and Referenda Committee Report

Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted.

20. GSA Management
   i. Executive Director’s Report

Members had before them a written report, which had been previously distributed on 15 March 2019. The report stood as submitted.

Question Period

21. Written Questions

There were no written questions received.

22. Oral Questions

M Woghiren asked about the ability of individual graduate student groups to enforce rules upon their members, such as through the creation of a code of conduct, and whether there were any University policies prohibiting these activities (S van der Klein responded that if a code of conduct violated the University’s Code of Student Behavior, it would not be permitted, B Richardson spoke about the challenges associated with decentralization and situations in which Faculties or Departments tried to create their own specific policies, and F Robertson clarified that graduate student group policies and procedures fell under the Dean of Students Office, and recommended contacting this office with further questions about the authority of a graduate student group to develop or implement a code of conduct that would impact students within a graduate student group).

Adjournment

The meeting was adjourned at 6:58 pm.
Outline of Issue

Changes to Dental Coverage Under the GSA Health and Dental Plan

Suggested Motion for GSA Council:

MOTION: That GSA Council APPROVE that dental coverage under the GSA Health and Dental Plan be increased from an annual maximum of $500 per Plan member per policy year to an annual maximum of $650 per Plan member per policy year to begin 1 September 2019.

Note: This addition will cost between $18 and $19 per Plan member per policy year. As approved at the March GSA Council meeting, the 2019-2020 Plan fee will remain at $500.36 per Plan member and this increase will still allow for around $5 per Plan member to be deposited in the GSA Health and Dental Plan Reserve Fund (HDPRF). The final amount of the increase in coverage will be dependent on final negotiation with Desjardins.

Background:

Past surveys conducted by Studentcare and discussion at GSA Council has shown an interest from Plan members in increasing dental coverage. As the GSA has seen a decline in claims for a few years, it is recommended that an increase in dental coverage is appropriate at this time (however, it is important to note that this might result in an increase in the cost of the Plan in future years as the cost is driven by both the volume and amount of claims and expanding coverage may result in an increase in claims).

As noted at the March GSA Council meeting, the GSA Board had previously discussed this matter and agreed to bring forward to GSA Council a motion to increase dental coverage under the Plan. At that time, early analysis from Studentcare projected that dental coverage could be increased up to $700 per Plan member per policy year but, following the receipt of additional claims analysis, increasing coverage to $700 would mean that the Plan fee and the cost of the Plan fee would be almost the same and so would not allow for any funds (or only a very small amount) to be deposited in the HDPRF. Accordingly, GSA Board recommends to GSA Council an increase in dental coverage of $650 per Plan member per policy year to begin 1 September 2019; this increase would both not involve a draw down of the HDPRF and would allow for around $5 per Plan member to be deposited in the HDPRF.

Jurisdiction:

GSA Bylaw and Policy, Section M: GSA Health and Dental, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund, Section M.POL.6.1:
“The amount of the Plan fee includes both Plan premiums and administrative overhead. The Plan fee may include an amount for the replenishment of the Health and Dental Plan Reserve Fund.”

GSA Bylaw and Policy, Section M: GSA Health and Dental, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund, Section M.POL.9.1:
“The GSA Board (GSAB) is mandated to oversee the implementation, administration, and performance of the GSA Health and Dental Plan, and to make recommendations to GSA Council regarding the Plan.”

GSA Bylaw and Policy, Section M: GSA Health and Dental, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund, Section M.POL.10.1:
“GSA Council, on the recommendation of the GSAB, must approve any increase in the Plan fee or modification of coverage. Any increase in the Fee or modification of coverage must be approved by GSA Council on the recommendation of the GSA Board. Any increase in the Fee exceeding 15% of the previous year’s Fee must also be put to a referendum.”

GSA Bylaw and Policy, Section M: GSA Health and Dental, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund, Section M.POL.11.1.b:
“All surpluses from Plan fees must be transferred into the HDPRF at the end of the fiscal year.”

Recommended Changes to GSA Bylaw and Policy on GSA Membership Definitions

Suggested Motion for GSA Council:

That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section B: Members and associated changes throughout GSA Bylaw and Policy, as shown in the attached double column document and track changes document and effective upon the second reading by GSA Council in the case of GSA Bylaw and the approval of GSA Council in the case of GSA Policy.

NOTE: The is the second reading of recommended changes to GSA Bylaw and first and only reading of recommended changes to GSA Policy. The first reading of recommended changes to GSA Bylaw was approved at the March GSA Council meeting. Subsequent to GSA Council seeing this proposal in March, the GSA office noticed some additional purely editorial changes, which have been added to the track changes document.

Background:

The attached proposal for recommended changes to GSA Bylaw and Policy address the following:

• Throughout GSA Bylaw and Policy, there are inconsistent references to “GSA members” and “graduate students.” The recommended changes would ensure the use of consistent terminology within GSA Bylaw and Policy by distinguishing that “GSA members” include both registered full-time or part-time graduate students and those who are not required to be actively registered (i.e., a graduate student on leave who has opted not to register while on leave), while “graduate students” would include both GSA members and a very small sub-group of individuals studying at the U of A but not considered GSA members (i.e., a very small number visiting students who may only be paying tuition and fees to their home institution and not the U of A).

• Clarification that “GSA members” can run for Directly-Elected Officer and Council-Elected Officer positions, vote in GSA General Elections and Referenda, and access GSA services, whereas while “graduate students” do not have access to these things, the GSA continues to advocate on issues that affect them and they are eligible to serve on University committees (it is beyond the scope of the GSA to dictate which graduate students are eligible to serve on University committees as this is the purview of the University).

• Removing the category of honorary membership, as there is currently no substantive difference between associate membership and honorary membership.

• Addition of a central statement outlining the services that GSA members have access to through their membership.

• Clarification that GSA membership fees are only assessed in the fall and winter terms.

The GSA Governance Committee recommended this proposal to GSA Council at its 7 February 2019 meeting. The GSA Board reviewed and recommended this proposal to GSA Council at its 27 February 2019 meeting.

User’s Guide to the Integrated GSA Bylaw & Policy

- GSA Bylaws are the rules that govern the GSA, which the GSA is allowed to make under the Post-Secondary Learning Act (Section 95(2)).

- GSA Policies are the general principles by which the GSA is run, and typically elaborate on rules set out in GSA Bylaw.

- GSA Bylaw and GSA Policy are distinguished from each other through the headers of each section.

- GSA Bylaw always comes before relevant GSA Policy. Not all GSA Bylaws have related GSA Policies, and vice versa.

- Footnotes indicate the date changes were made and the governing body that approved the changes. A full list of revision dates is available at the end of this document.

- All sections have tables at the beginning which outline the purpose and scope of the associated GSA Bylaw and/or GSA Policy, note any other specifically related sections of GSA Bylaw and Policy or GSA Board Policy that should be consulted, and provide definitions of terminology used within that section. When reviewing a section that notes other specifically related sections of GSA governing documents, users should turn to those sections to ensure they have a full understanding of the topic at hand.

GSA Policy: GSA Council

C.POL.3 GSA Council Composition

C.POL.3.1 GSA Council is comprised of:

C.POL.3.1.a All Directly-Elected Officers (DEOs) as voting members,
C.POL.3.1.b All GSA Council-Elected Officers and Deputies as non-voting members,

C.POL.3.2.a The duties of Departmental Councillors and the IGSA Councillor will be:

C.POL.3.2.a.i To act as the primary liaison between the GSA and their constituents, including sending their constituents a brief report on GSA Council meetings and soliciting feedback,

C.POL.3.4 Members of the public are required to sign in with the Speaker and will be given a placard. They may not vote and do not have speaking privileges unless extended them by GSA Council following a vote on the matter.

---

C.POL.4 GSA Council Meetings

C.POL.4.1 The Speaker sets GSA Council meeting dates annually. If lacking sufficient agenda items, up to two (2) meetings may be cancelled at the discretion of the Speaker and President, but never two (2) sequential meetings.

C.POL.4.2 Quorum for any GSA Council meeting will consist of thirty (30) voting members of GSA Council.

C.POL.4.3 Agendas for GSA Council meetings will normally include time for: receiving the names of new GSA Council members, presentations, announcements from GSA Council members, action items, elections, reports from DEOs, GSA Standing Committees, and Management, and question period.

C.POL.4.3.a Agenda items normally come to GSA Council from the GSA Board (GSAB) or other GSA Standing Committees. Members of GSA Council who wish to place an item on the agenda should contact the Speaker.

C.POL.4.3.b Substantive agenda items are circulated to GSA Council members at least one (1) week prior to the date of the meeting on instruction of the Speaker. Substantive items received after this will be added to the agenda at the discretion of the Speaker. Reports for information are circulated the Friday (or Thursday, in the event of a holiday related closure of the GSA office) before a Monday meeting.

C.POL.4.3.c Changes to the agenda made at meetings require a two-thirds majority vote.

C.POL.4.4 Special Meetings of GSA Council

C.POL.4.4.a Special meetings of GSA Council will have specific and limited agendas and may be called when important matters arise for decision either between regular meetings or at a time when pressure of business would not allow them to be adequately disposed of at a scheduled meeting. Procedures governing scheduled meetings will apply to special meetings.

C.POL.4.4.b With reasonable notice (when possible five (5) working days), special meetings will be called by the Speaker following receipt of any of the following:

C.POL.4.4.b.i A Motion of GSA Council at any GSA Council meeting,
C.POL.4.4.b.ii A Motion of the GSAB, or
C.POL.4.4.b.iii A request to the GSAB made by ten (10) or more members of GSA Council.

C.POL.4.4.c Any request for a special meeting of GSA Council as noted above will specify the intended purpose of that meeting, and all business at the meeting must, unless otherwise mandated, be restricted to the specified purpose of the meeting.

C.POL.5 Procedure at GSA Council Meetings

C.POL.5.1 The duties of the Speaker are outlined in Section D: GSA Officers, GSA Policy, GSA Officer Portfolios.

C.POL.5.1.a If the Speaker is unable to perform any of his/her duties, the Deputy Speaker will act. If neither is available, the President and the Executive Director (ED) (or delegate) will consult on the action(s) to be taken.

C.POL.5.2 Motions (formal proposals that GSA Council take certain actions), are normally accompanied by a Notice of Motion (advance written notice that a Motion will be presented and debated at an upcoming meeting of GSA Council). Notices of Motion must be presented in time to be circulated with the first mailing of the GSA Council material, as described above.

C.POL.5.2.a To move a Motion, voting members of GSA Council must first be recognized by the Speaker. A Motion must be seconded; a second simply indicates that the seconder
agrees that the Motion should be debated and not that the seconder necessarily favours the Motion.

C.POL.5.2.b During discussion and debate, voting members of GSA Council may:

C.POL.5.2.b.i Move an amendment to a Motion. Amendments to a Motion must be germane; that is, they must be closely related to the subject of the Motion.

C.POL.5.2.b.ii Move a Motion to Defer, which enables the discussion of a substantive issue to be put off to a later, specified time.

C.POL.5.2.b.iii Move a Motion to Table, which allows GSA Council to lay aside a Motion until some future time. This Motion is not debatable, except with respect to when the Motion will return to GSA Council.

C.POL.5.2.c Following discussion and debate, a Motion goes to a vote.

C.POL.5.2.c.i A majority vote is needed for a Motion to pass; in the event of a tie a Motion is considered to have failed.

C.POL.5.2.d Voting members of GSA Council may also:

C.POL.5.2.d.i Move a Motion to Refer, which allows GSA Council to refer an issue to another body, usually a GSA Standing Committee.

C.POL.5.2.d.ii Move a Motion to Rescind, which allows GSA Council to cancel or stop an entire Motion that had already been adopted.

C.POL.5.2.d.iii Move a Motion to Reconsider, which allows GSA Council to return to a Motion that has been voted on at the meeting, in an instance where new information emerges or the situation changes, allowing GSA Council to consider and vote anew, as if GSA Council had not previously voted on the Motion.

C.POL.5.2.e GSA Council may choose to close meetings by a simple majority vote, in which case only GSA Council members and GSA staff may attend; others wishing to attend must have permission extended by GSA Council following a vote.

C.POL.5.2.e.i Open session minutes of GSA Council will be posted on the GSA website. Closed session minutes are confidential.

C.POL.5.3 Prerogatives of GSA Council Members

C.POL.5.3.a After being recognized by the Speaker, any member of GSA Council may:

C.POL.5.3.a.i Ask a question for information,

C.POL.5.3.a.ii Provide a Point of Information (request or provide information),

C.POL.5.3.a.iii Provide a Point of Order (ask that the Speaker enforce procedures governing GSA Council),

C.POL.5.3.a.iv Provide a Point of Personal Privilege (protest a personal remark),

C.POL.5.3.a.v Call the Question (call for a vote on an associated Motion if it is felt that there has been a fulsome discussion and it is time to move to a vote), or

C.POL.5.3.a.vi Motion for adjournment (separate from the adjournment as listed on the meeting agenda); this Motion must be moved and seconded by voting members, is not debatable, and requires a majority vote to pass.

C.POL.5.4 If a member of GSA Council considers that a ruling made by the Speaker is not in order, they may appeal the Speaker’s ruling. If this happens, the Speaker will give a brief explanation of their ruling. After questions and debate, the Speaker then asks voting members to vote on whether their ruling is upheld. If the ruling of the Speaker is overturned, the Speaker is bound to take the necessary remedial action to correct the situation.
GSA Policy: GSA Council Attendance

C.POL.6 Attendance

C.POL.6.1 Directly-Elected Officers

C.POL.6.1.a Directly-Elected Officers (DEOs) are expected to attend all GSA Council meetings and do not have alternates.

C.POL.6.1.b If a Vice-President cannot attend a meeting, they will provide an advance written reason to the President and Speaker. If a Vice-President misses two (2) consecutive GSA Council meetings or a total of three (3) GSA Council meetings during their term, without an advance written reason acceptable to the President and Speaker, the Speaker, in consultation with the President and the Executive Director (ED) (or delegate), will consider what action(s) should be taken.

C.POL.6.1.c If the President cannot attend a meeting, they will provide an advance written reason to the Speaker and Deputy Speaker. If the President misses two (2) consecutive GSA Council meetings or a total of three (3) GSA Council meetings during their term, without an advance written reason acceptable to the Speaker and Deputy Speaker, the Speaker, in consultation with the President and the ED (or delegate), will consider what action(s) should be taken.

GSA Policy: Elections

I.POL.7 General Principles and Rules of Conduct for Elections

I.POL.7.1 “The fundamental principle underlying GSA elections is that they are to be fair, respect the wishes of voters, and conducted in a manner that reflects the excellent, positive reputation of the GSA” (Section I: Elections, GSA Bylaw, Elections, Section I.BYL.1.1).

I.POL.7.2 Candidates will abide by GSA Bylaw and Policy concerning elections, and any other applicable policies or laws, and will ensure that campaign volunteers do the same. It is the responsibility of candidates to familiarize themselves with GSA Bylaw and Policy on elections.

I.POL.8.2 On the Directly-Elected Officer (DEO) nomination forms, candidates will include a minimum of five (5) signatures from GSA members. I.POL.8.3 Councillor-at-Large (CAL) candidates are not required to include signatures in their nomination forms.

I.POL.8.4 Written nominations for DEO or CAL positions will be submitted to the GSA office to be reviewed and signed by the CRO in order to verify both completeness and that the nomination form has been submitted on time. The original will be filed in the GSA office and one (1) copy provided to the candidate, normally electronically. If a nomination form is incomplete or late, the CRO will not accept the nomination form. Candidates cannot appeal this decision.

I.POL.8.5 Candidates can change the position they wish to run for, but must do so before the close of nominations. If a candidate changes the position they are running for, the candidate will be required to fill out and submit a new nomination form for the new position prior to the nomination deadline and must meet the requirements as set out in Section I.POL.8.4, above.

Any concerns with potential bias on the part of the CRO, the DRO, and members of the GSA ERC in making such decisions, and members of the GSA ACB in making such decisions on appeals, will be filed with nomination forms."

I.POL.8.8 Nomination forms will list the names of the CRO, DRO, members of the GSA ERC, and members of the GSA ACB.

I.POL.11.14 Candidates are encouraged to ask the CRO before acting if they have any questions about GSA Bylaw and Policy on elections (including questions related to the development of campaign materials and the planning of campaign events), and to report any alleged breaches of GSA Bylaw or Policy on elections to the CRO, in accordance with the procedure outlined below.

I.POL.12 Alleged Breaches

I.POL.12.1 Those with concerns about alleged breaches are encouraged to contact the CRO in a timely fashion. The CRO will advise on associated processes.

I.POL.12.3.e If a person provides information on an anonymous basis, that information and the request for anonymity will be assessed on a case-by-case basis.

I.POL.12.4 Following the receipt of a complaint, the CRO will decide whether informal resolution should be attempted and, if so, contact the complainant and the candidate concerned.

I.POL.12.4.a The goal of informal resolution is to arrive at countermeasures agreed upon by all parties.

I.POL.12.5 Decision

I.POL.12.5.a If informal resolution is rejected or is not successful, the CRO will email the candidate concerned with the details of the alleged breach, and request a written response, setting a deadline of at least eight (8) hours.

I.POL.12.5.b Based on the complaint and the written response (or solely on the complaint if no written response was provided by the set deadline), the CRO will normally reach a decision on the complaint within seventy-two (72) hours. the GSA ERC. The decision will then be posted on the GSA website.

I.POL.12.7 Unless otherwise stated in GSA Bylaw or Policy on elections, decisions of the CRO are
subject to appeal to the GSA ACB.

I.POL.12.7.a The CRO will advise the parties that they have twenty-four (24) hours from the
time the CRO’s email is deemed delivered for an emailed appeal to be received
by the Chair of the GSA ACB.

I.POL.12.8 Throughout this process, the CRO will consult, where reasonable, with the DRO, available
member(s) of the GSA ERC, and the Executive Director (or delegate), concerning deadlines
and other related matters.

I.POL.13 Voting

I.POL.13.1 “All voting in the GSA General Election and by-elections will be done electronically,

Bylaw, Elections, Section I.BYL.4.1).

I.POL.13.2 Candidates will be displayed in alphabetical order on a per-ballot basis.

I.POL.13.3 “None of the Candidates” will be displayed following the list of candidates on a per
ballot basis.

I.POL.13.4 On ballots, voters will mark their choice of candidate(s) for each race. Voters may
abstain by signing in to vote but then not voting in a particular race.

I.POL.13.5 Ballots will be counted electronically according to the following procedures:

I.POL.13.5.a The number of votes for each candidate will be counted.

I.POL.13.5.b The candidate(s) with the highest number(s) of votes will be successful, in accord
with the number of positions available. In a case where “None of the Candidates”
received more votes than some of the other candidates, only candidate(s)
receiving more votes than “None of the Candidates” will be considered
successful.

I.POL.13.5.c In the event of a tied vote, the CRO will draw a name from a hat in the presence
of two (2) neutral witnesses, and the name drawn from a hat will be the
candidate that is eliminated.

I.POL.13.6 Candidates who receive fewer votes than “None of the Candidates” in the GSA General
Election cannot run for the same position in any related subsequent GSA Council by-
elections (see below).

I.POL.14 Results

I.POL.14.1 Upon completion of the ballot count, the CRO will announce provisional results. Results
will be made official only when the GSA’s process of dealing with alleged breaches of
GSA Bylaw or Policy on elections and any appeals within that process are exhausted.

I.POL.14.2 In the case where the electronic voting system fails and paper ballots were used, the
paper ballots will be destroyed one (1) month following the release of the official
results.

This report will be provided to the next CRO and DRO, and the GSA ERC, the GSA Board, and GSA Council.

I.POL.16  Filling Vacancies Following the GSA General Election

I.POL.16.1 In the event that a DEO position is not filled by the end of the GSA General Election (ie no candidates run for a position or “None of the Candidates” is elected), or if a position is vacated at any time prior to 1 December (or the next working day) a by-election will take place as soon as possible. The procedures governing this by-election will be the same as those governing regular elections, except the dates of nominations, campaigning, and voting periods will be determined by the CRO.

I.POL.16.2 In the event that a DEO position is vacated after 1 December (or the next working day) and before the next GSA General Election, the GSA NoC will decide on procedures and then provide one (1) or more names to GSA Council for consideration. GSA Council will elect an individual to fill the position on an interim basis. If the matter is deemed urgent by the CRO, GSA Council can hold this election electronically.

I.POL.16.3 In the event that any CAL positions are not filled by the end of the GSA General Election, or a CAL position is vacated prior to 1 December (or the next working day) GSA Council will be responsible for electing any remaining CALs. When electing any remaining CALs, GSA Council will aim to elect GSA membersgraduate students from as broad a range of disciplines as possible. The GSA NoC will decide on procedures and then provide one or more names to GSA Council for consideration, except that the GSA NoC may not waive advertising. Note that the legislated GSA NoC process specifies that all vacancies will be advertised at least twice in advance of the nomination deadline noted in the advertisement. If the matter is urgent, GSA Council can hold this election electronically.

The election of the Chair and Vice-Chair of the GSA ERC will normally occur at the beginning of the fall term and the persons elected will be reported to GSA Council.

I.POL.18 Eligibility

I.POL.18.1 Notwithstanding Section I.POL.17.2, above, all members of the GSA are eligible to serve on the GSA ERC unless they intend to run in the GSA General Election or by-election, serve as a Campaign Representative or volunteer in an upcoming referendum, or they have run in the previous GSA General Election or by-election or served as a Campaign Representative or volunteer in the last referendum. If standing for election to the GSA ERC, GSA ERC nominees agree not to campaign for or endorse any individual running in the GSA General Election or by-election, and not to serve as a Campaign Representative or volunteer in any referendum. GSA ERC members must also be neutral and impartial (ie having no immediate or vested interest in the outcome of GSA General Elections and referendum).

J.BYL.6 Campaign Restrictions

J.BYL.6.1 The CRO, Deputy Returning Officer, Speaker, Deputy Speaker, members of the GSA Nominating Committee, members of the GSA Appeals and Complaints Board, and members of the GSA Elections and Referenda Committee will remain neutral and not campaign for or endorse any ‘Yes’ or ‘No’ campaign whatsoever.
GSA Policy: Referenda

J.POL.7 General Principles and Rules of Conduct for Referenda

J.POL.7.1 “The fundamental principle underlying GSA referenda is that they are to be fair, respect the wishes of voters, and conducted in a manner that reflects the excellent, positive reputation of the GSA” (Section J: Referenda, GSA Bylaw, Referenda, Section J.BYL.1.1).

J.POL.7.2 Campaign Representatives will abide by GSA Bylaw and Policy concerning referenda, and any other applicable policies or laws, and will ensure that campaign volunteers do the same. It is the responsibility of candidates to familiarize themselves with GSA Bylaw and Policy on referenda.

J.POL.7.3 Campaign Representatives will treat the Chief Returning Officer (CRO), Deputy Returning Officer (DRO), members of the GSA Elections and Referenda Committee (GSA ERC), GSA Officers, management, staff, and fellow Campaign Representatives with respect.

J.POL.8 Initiating a Referendum

J.POL.8.1 If an Asker wishes to initiate a referendum, they will contact the CRO.

J.POL.8.2 The CRO will extend an invitation to present to the GSA Board (GSAB). The Asker must state how their organization or proposed referendum question relates to the GSA and/or GSA members/graduate students. The Asker will provide the GSAB with relevant documents such as a constitution, mission statement, vision statement, audited financial statements, etc.

J.POL.8.2.a A clearly worded referendum question will address the following criteria (if applicable): description of any dedicated on-going fee, amount of fee, how long a fee will be collected, effective date (when a fee will start being collected), procedure for changing a fee, whether the fee can be rescinded, and an accountability mechanism for the money collected. The criteria above provided are non-exhaustive and additional criteria may be required to draft a clearly worded referendum question.

J.POL.8.3 The CRO and Asker will work together to draft a referendum question, which will be subject to change after input from the GSAB and GSA Council.

J.POL.8.4 Following the presentation to the GSAB by the Asker, the GSAB will either decide to extend the Asker an invitation to GSA Council to make a presentation (normally fifteen (15) minutes with an extension if GSA Council so desires, followed by questions from GSA Council), or, if the GSAB does not extend an invitation to GSA Council, the Asker can find a GSA Council member to place the matter on the GSA Council agenda as per the procedures governing GSA Council.

J.POL.8.5 If the GSAB has invited the Asker to present at GSA Council, at that point the CRO and the Asker will work together to finalize the wording of the question (subject to change if GSA Council has concerns with the wording) and the Asker then presents to GSA Council.

J.POL.8.6 GSA Council will vote whether to approve the holding of a referendum and the wording of the question.

J.POL.8.7 If GSA Council approves the holding of a referendum and the wording of the question, a referendum is then held in accordance with GSA Bylaw and Policy on referenda.

---

The CRO will provide an electronic description or briefing of the background, purpose, and relevant details of any GSA Council approved referendum question prior to referendum voting. Normally this description will be posted on the GSA website.

**Registration Forms**

Registration forms will be made available to GSA members in graduate-student status in hard copy at the GSA office. Exceptions may be made at the discretion of the CRO.

In order to register a campaign, a minimum of five (5) signatures from GSA members must be provided to the CRO before the end of the registration period, as well as the name and contact information of the Campaign Representative.

Written registration forms will be submitted to the GSA office to be reviewed and signed by the CRO in order to verify both completeness and that the registration form has been submitted on time. The original will be filed in the GSA office and one (1) copy provided to the Campaign Representative, normally electronically. If a registration form is incomplete or late, the CRO will not accept the registration form. Campaign Representatives cannot appeal this decision.

The following will be stated on registration forms for a ‘Yes’ or ‘No’ campaign for a referendum:

“By signing registration forms, all Campaign Representatives acknowledge that they have read and agree to abide by GSA Bylaw and Policy on referenda, which is posted in full on the GSA website. By signing registration forms, Campaign Representatives also acknowledge that they have read and are aware of the terms of an appeal within the GSA of any decisions on alleged breaches of GSA Bylaw and Policy, including the fact that the CRO, with advice from the GSA ERC, receives, manages, and rules on complaints regarding alleged breaches of GSA Bylaw and Policy and that the GSA Appeals and Complaints Board (GSA ACB) decides on any appeals. Any concerns with potential bias on the part of the CRO, DRO, and members of the GSA ERC in making such decisions, and members of the GSA ACB in making decisions on appeals will be filed with registration forms.”

Registration forms will list the names of the CRO, DRO, members of the GSA ERC, and members of the GSA ACB will be updated each year on the registration forms. Any changes to these names will be emailed to candidates who will have twenty-four (24) hours to file any objections with the GSA Speaker.

**Timeline**

Except as specified below, the CRO approves the timeline for a referendum, with advice from the GSA ERC.

“Referenda will consist of a registration period, a campaign period, and a voting period” (Section J: Referenda, GSA Bylaw, Referenda, Section J.BYL.3.2).

The registration period will last at least fourteen (14) calendar days and only a ‘Yes’ or ‘No’ campaign can be registered. The registration period will end on a working day. In the event that no registrations are received the referendum will proceed regardless.

Within twenty-four (24) hours after the close of the registration period, the CRO will hold the Meeting of the Campaign Representatives as described below.

The campaign period will last at least seven (7) calendar days and will begin no earlier than the day following the Meeting of the Campaign Representatives.

Voting:

Campaigning is permitted during the voting period and
J.POL.10.6.b The CRO will ensure that the voting period starts on a working day and lasts at least forty-eight (48) hours.

J.POL.11 Meeting of the Campaign Representatives

J.POL.11.1 The CRO is responsible for organizing a meeting with all Campaign Representatives to provide an overview of GSA Bylaw and Policy on referenda.

J.POL.11.2 Failure to attend the Meeting of the Campaign Representatives by a Campaign Representative (or delegate) without adequate prior notification to the CRO is grounds for disqualification of their campaign. ‘Adequate prior notification’ is defined as notice communicated electronically to the CRO at least one (1) hour in advance of the meeting. If a Campaign Representative (or delegate) this meeting due to unforeseen and exceptional circumstances, such as a last-minute emergency, any consequences may be waived at the discretion of the CRO, following consultation with the GSA ERC. There is no appeal of these decisions.

J.POL.11.3 At the Meeting of the Campaign Representatives the CRO will provide Campaign Representatives with all relevant GSA Bylaw and Policy on referenda and on the GSA ACB, as well as information concerning campaigning.

J.POL.12 Campaigning

J.POL.12.1 “The campaign period will last at least seven (7) calendar days and will begin no earlier than the day following the Meeting of the Campaign Representatives” (Section J.POL.10.5, above).

J.POL.12.2 No form of campaigning (verbal, electronic, and visual) will contain misinformation, slander, inappropriate, discriminatory content, or ad hominem attacks of individuals.

J.POL.12.3 Campaign Representatives will ensure all campaign plans, materials, and/or advertisements conform with all University of Alberta policies and regulations and all municipal, provincial, and federal laws

J.POL.12.4 The CRO will approve campaign materials that are physically posted or circulated via email to personal contacts. The CRO will review such materials to ensure they comply with Section J.POL.12.2, above, and any other relevant GSA Bylaw and Policy. The CRO is not responsible for reviewing the editorial content of such campaign materials (eg, grammar, punctuation).

J.POL.12.4.a Such campaign materials prepared in a language other than English will be accompanied by an English translation when submitted to the CRO for approval. The CRO is not responsible for the accuracy of translations.

J.POL.12.4.b The turnaround for approving campaign materials will be approximately one (1) working day.

J.POL.12.5 Campaign Representatives will only distribute campaign materials through emails to their personal contacts. Campaign Representatives will not utilize moderated mailing lists.

J.POL.12.6 The CRO will be provided access to campaign materials posted or circulated on social media accounts or other online platforms, and reserves the right to penalize candidates for any breaches of GSA Bylaw and Policy.

J.POL.12.7 Campaign Representatives will get permission, where appropriate, to campaign in instructional spaces, such as classrooms and lecture halls. Campaign Representatives will not campaign in unsafe spaces that require proper safety equipment. The CRO will talk about safety issues, including campaigning in labs, at the Meeting of the Campaign Representatives.

J.POL.12.8 Campaign Representatives will only use SUBprint to print campaign materials.

J.POL.12.9 Campaign Representatives will not use the University or GSA logos on campaign materials.
J.POL.12.10 Campaign Representatives will not accept gifts of money, gifts in kind, or equivalents.

J.POL.12.11 Campaign Representatives will be responsible for removing all campaign materials after voting has closed.

J.POL.12.12 Campaign Spending Limit

J.POL.12.12.a Campaign Representatives will be authorized to spend no more than $150 on campaign material over the course of a referendum.

J.POL.12.12.b Campaign Representatives will report to the CRO all campaign-related expenses, and submit receipts (either electronically or in hard copy) no later than two (2) hours after the close of the voting period.

J.POL.12.12.c Exceeding the spending limit or failure to report campaign expenses and submit receipts constitutes grounds for disqualification for the campaign.

J.POL.12.12.d Campaign costs will not be reimbursed.

J.POL.12.13 Campaign Representatives are encouraged to ask the CRO before acting if they have any questions about particular GSA Bylaw or Policy on referenda (including questions related to the development of campaign materials and the planning of campaign events), and to report any breaches of GSA Bylaw or Policy on referenda to the CRO, in accordance with the procedure outlined below.

J.POL.13 Chief Returning Officer’s Decision on Penalties, Remedial Action, and Referrals

J.POL.13.1 Those with concerns about alleged breaches are encouraged to contact the CRO in a timely fashion. The CRO will advise on associated processes.

J.POL.13.2 All alleged breaches of GSA Bylaw and Policy on referenda, of interpretations issued by the CRO, or other applicable policies or laws must be reported to the CRO as soon as possible by filing a complaint.

J.POL.13.3 Complaints

J.POL.13.3.a While complaints may be brought forward at any point during the campaign period, individuals have twenty-four (24) hours after the release of provisional results to lodge a complaint with the CRO about an alleged breach of GSA Bylaw or Policy. Complaints lodged after this deadline will not be considered.

J.POL.13.3.b To be considered by the CRO, in consultation with the GSA ERC, a complaint must include the following:

J.POL.13.3.b.i The name of the person filing the complaint and their University email address,

J.POL.13.3.b.ii The name of the Campaign Representative who allegedly committed a breach,

J.POL.13.3.b.iii The section of GSA Bylaw and Policy on referenda, interpretation issued by the CRO, or other applicable policies or laws that has allegedly been breached

J.POL.13.3.b.iv A description of what constitutes the alleged breach and associated evidence, and

J.POL.13.3.b.v A list of the evidence submitted.

J.POL.13.3.c Incomplete complaints will not be considered and complainants filing incomplete complaints will be notified as such.

J.POL.13.3.d The CRO, in consultation with the GSA ERC, can dismiss a complaint if it is unfounded, frivolous, or vexatious.

J.POL.13.3.e If a person provides information on an anonymous basis, that information and the request for anonymity will be assessed on a case-by-case basis.
Following the receipt of a complaint, the CRO will decide whether informal resolution should be attempted and, if so, contact the complainant and the Campaign Representative concerned.

The goal of informal resolution is to arrive at countermeasures agreed upon by all parties.

If informal resolution is rejected or is not successful, the CRO will email the Campaign Representative concerned with the details of the alleged breach, and request a written response, setting a deadline of at least eight (8) hours.

Based on the complaint and the written response (or solely on the complaint if no written response was provided by the set deadline), the CRO will normally reach a decision on the complaint within seventy-two (72) hours. If more time is required to reach a decision, the CRO will consult with the GSA ERC regarding extensions.

The CRO may impose the following penalties, or remedial actions:

Verbal or written reprimands,
Reduction of spending limits,
Disqualification of the campaign from the current referendum, and
Any other penalty or remedial action.

All decisions will include:

A summary of the alleged breach,
A list of parties to the complaint (unless anonymity was granted, see above),
A summary of the reasons for the decision and the process by which it was reached,
A listing of all applicable GSA Bylaw and Policy and interpretations issued by the CRO, or other applicable policies or laws,
The decided upon penalties, and/or remedial actions, and
The time limit for any appeal to be made.

Upon reaching a decision the CRO will email the decision to all parties, with a copy to the GSA ERC. The decision will then be posted on the GSA website.

Unless otherwise stated in GSA Bylaw and Policy on referenda, decisions of the CRO are subject to appeal to the GSA ACB.

The CRO will advise the parties that they have twenty-four (24) hours from the time the CRO’s email is deemed delivered for an emailed appeal to be received by the Chair of the GSA ACB.

Throughout this process, the CRO will consult, where reasonable, with the DRO, available member(s) of the GSA ERC, and the Executive Director (or delegate), concerning deadlines and other related matters.

“All referenda voting will be done electronically, except in the event of a failure of the electronic system in use” (Section J: Referenda, GSA Bylaw, Referenda, Section J.BYL.5.1).

In the event of a tie vote, GSA Council will decide whether to re-run a referendum.

Upon completion of the ballot count, the CRO will announce the provisional results. Results will be made official only when the GSA’s process of dealing with alleged
breaches of GSA Bylaw and Policy on referenda and any appeals within that process are exhausted.

J.POL.15.2 In the case where the electronic voting system fails and paper ballots were used, the paper ballots will be destroyed one (1) month following the release of the official results.

J.POL.16 Reporting

J.POL.16.1 The CRO will draft a procedural report following each referendum. This report will outline major decisions, a summary of discussions and consultations with the GSA ERC, processes, issues, and recommendations for any future referendum. This report will be provided to the next CRO and DRO, the GSA ERC, the GSAB, and GSA Council.

Any investment income earned by these funds will be returned to these funds.

K.POL.2.1.e Facilitate long-term planning by developing a three (3) year rolling budget and business plan for revenue and expenditure,

K.POL.2.1.f Enable provision of the key financials, budget projections, information notes, and any other documentation required by GSA Council, the GSAB, the GSA BFC, or the GSA’s Auditor,

K.POL.2.1.g Require reporting of re-allocation of resources,

K.POL.2.1.h Support resource accountability,

K.POL.2.1.i Delegate budget decisions to the level at which operational decisions are made, and

K.POL.2.1.j Propose to GSA Council a budget that represents all aspects of the GSA’s operations.

K.POL.3.3 Reallocation and Variance Within a Division After the Budget is Approved

K.POL.3.3.a Reallocations and variances are calculated for both revenue and expenses. Reallocations and variances against the original budget are reported regularly (at least three (3) times per year) to the GSA BFC, the GSAB, and GSA Council. Unspent funds at year-end are rolled over, except that unspent funds for legal consultation are placed in the GSA LDF.

GSA Policy: GSA Legal Defence Fund

L.POL.3 Administration of the GSA Legal Defence Fund

L.POL.3.1 To ensure prudent financial management the GSA Board (GSAB), GSA Budget and Finance Committee (GSA BFC), and GSA Council will regularly review the GSA Legal Defence Fund (GSA LDF) in conjunction with review of the GSA’s audited financial statements.

L.POL.3.2 The GSA LDF is restricted funding and will be kept separate from the GSA operating budget.

L.POL.3.3 Any investment income earned by the GSA LDF will be returned to the GSA LDF.

L.POL.4 Access to the GSA Legal Defence Fund

L.POL.4.1 The GSA LDF may be accessed under the following circumstances:

L.POL.4.1.a The GSA LDF may be accessed to defend the GSA in actions brought forward by other parties. Upon ascertaining that the GSA’s insurance will not cover the action, and consultation with legal counsel, the GSAB may make a recommendation to the GSA BFC to access the GSA LDF.

L.POL.4.1.b The GSA LDF may be accessed for action against other parties by the GSA. In cases where the GSAB feels that it has a legal basis and an obligation to uphold the rights of the GSA, the GSAB may investigate the possibility of legal action. Upon consultation with legal counsel, if the legal opinion is that there are grounds for action, the GSAB may make a recommendation to the GSA BFC requesting access to the GSA LDF.

L.POL.4.1.c The GSA LDF may be accessed in cases where the GSAB feels that a case before the courts has the potential to set precedent that could impact graduate students and/or the GSA and wishes to assert intervener status. Upon consultation with legal counsel, the GSAB may make a recommendation to the GSA BFC requesting access to the GSA LDF.

L.POL.4.2 In making a recommendation to access the GSA LDF, the GSAB must provide to the GSA BFC information regarding the proposed use of the GSA LDF, including the estimated amounts to be drawn down from the GSA LDF.

L.POL.4.3 The GSA BFC will review the recommendation in a timely manner and make its decision based on GSA Policy on the GSA LDF. If the GSA BFC determines accessing the GSA LDF is warranted, it will then make a recommendation to GSA Council regarding the use of the GSA LDF.

L.POL.4.4 GSA Council must approve the use of funds from the GSA LDF.

L.POL.4.5 In all cases, the GSA will work with its legal counsel to handle cases in the most expeditious and least costly way, and the usage of GSA LDF funds will be reported to the GSAB, the GSA BFC, and GSA Council.

**M.BYL.1 General**

M.BYL.1.1 The GSA will have a “GSA Health and Dental Plan,” as determined by the GSA membership in a referendum of 2003 to be its group Health and Dental Plan.

M.BYL.1.2 The GSA will have a legal agreement between the GSA and the current provider of the GSA Health and Dental Plan regarding implementation of the Plan.

M.BYL.1.3 The administration of the GSA Health and Dental Plan will be governed by GSA Policy (see Section M: GSA Health and Dental Plan, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund).

---

M.BYL.2 General

M.BYL.2.1 The administration of the GSA Health and Dental Plan Reserve Fund (GSA HDPRF) will be governed by GSA Policy (see Section M: GSA Health and Dental Plan, GSA Policy, GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund).

M.BYL.3 Purpose of the GSA Health and Dental Plan Reserve Fund

M.BYL.3.1 The GSA HDPRF is meant to ensure that all Plan fees paid by GSA members/graduate students are going towards health and dental coverage. For example, the GSA HDPRF may be used to:

M.BYL.3.1.a Lessen Plan fee increases from one (1) year to another, acting as a buffer,
M.BYL.3.1.b Expand services or coverage with no or reduced Plan fee increases, or
M.BYL.3.1.c Provide other services, or financial adjustments to the Plan and its associated costs.

M.BYL.3.2 The GSA HDPRF may only be used for Plan purposes.

---

GSA Policy: GSA Health and Dental Plan and GSA Health and Dental Plan Reserve Fund

M.POL.5 Implementation Dates
M.POL.5.1 The GSA will implement the Plan effective 1 September and 1 January of each year, in accordance with GSA Bylaw.

M.POL.6 Fees
M.POL.6.1 The amount of the Plan fee includes both Plan premiums and administrative overhead. The Plan fee may include an amount for the replenishment of the Health and Dental Plan Reserve Fund (see below).
M.POL.6.2 Plan fees will be collected through the University’s regular student fee payment mechanism in September and January of each year that the Plan is in effect.
M.POL.6.3 Plan fees will be non-refundable except where a GSA member qualifies to opt-out of the Plan (see below).

M.POL.7.1 GSA members enrolled in the Plan may opt-out of the Plan where they have comparable or better insurance coverage from some other source, demonstrated through provision of documentation as required by the administrator of the Plan, to the administrator of the Plan during the opt-out period.

M.POL.8 Opt-In Provisions
M.POL.8.1 GSA members covered by the Plan may add spouses/partners and/or dependent children to the Plan by paying additional Plan fees during the opt-in period.
M.POL.8.2 The additional Plan fee charged to add a partner/spouse or one dependent child to the Plan will be no more than the Plan fee for an individual GSA member graduate student. The additional Plan fee charged to add any number of additional financial dependents will be no more than the Plan fee for an individual GSA member graduate student.

M.POL.9 Oversight by GSA Board
M.POL.9.1 The GSA Board (GSAB) is mandated to oversee the implementation, administration, and performance of the GSA Health and Dental Plan, and to make recommendations to GSA Council regarding the Plan.

M.POL.10 Increases in Fees
M.POL.10.1 GSA Council, on the recommendation of the GSAB, must approve any increase in the Plan fee or modification of coverage. Any increase in the Plan fee exceeding 15% of the previous year’s Plan fee must also be put to a referendum.

M.POL.11 GSA Health and Dental Plan Reserve Fund
M.POL.11.1 Administration of the GSA Health and Dental Plan Reserve Fund (GSA HDPRF)
M.POL.11.1.a To ensure prudent financial management the GSAB and GSA Budget and Finance Committee (GSA BFC) will regularly review the GSA HDPRF in conjunction with review of the GSA’s Budget and Expenditure Reports.

M.POL.11.1.b  All surpluses from Plan fees must be transferred into the GSA HDPRF at the end of the fiscal year.

M.POL.11.1.c  The GSA HDPRF is restricted funding and will be kept separate from the GSA operating budget.

M.POL.11.1.d  Any interest earned by the GSA HDPRF will be returned to the GSA HDPRF.

M.POL.11.1.e  Notwithstanding M.POL.11.1.b, above, the GSA HDPRF may be replenished through the collection of fees in excess of the cost of the Plan upon the recommendation of GSA Council and on the recommendation of the GSAB and the GSA BFC.

M.POL.11.2  Access to the GSA HDPRF

M.POL.11.2.a  A draw down of the GSA HDPRF can only be proposed once the total Plan fees collected are less than the cost of the Plan.

M.POL.11.2.b  The GSA HDPRF may not be overdrawn.

M.POL.11.2.c  To draw down the GSA HDPRF, the GSAB must provide to the GSA BFC information regarding the proposed use of the HDPRF, including the anticipated amounts to be drawn down from the GSA HDPRF and a rolling plan regarding the GSA HDPRF.

M.POL.11.2.c.i  If the GSA BFC finds that the proposal is financially sound, it will present the proposal and the financial implications to GSA Council for approval.

M.POL.11.2.c.ii  If the GSA BFC finds that the proposal is financially unsound, it will report its findings to the GSAB for reconsideration.

M.POL.11.2.d  GSA Council must approve any proposals prior to use of GSA HDPRF funds.

Outline of Issue

Recommended Changes to GSA Policy on GSA Recognition Awards

Suggested Motion for GSA Council:

That GSA Council APPROVE, having been unanimously recommended by the GSA Governance Committee and the GSA Board, the recommended changes to GSA Bylaw and Policy, Section O: GSA Recognition Awards, GSA Policy, GSA Recognition Awards and Adjudication Criteria as noted in the attached double column document and effective upon approval by GSA Council.

Background:

The GSA Governance Committee recommended this proposal, via email, to GSA Council on 11 March and the GSA Awards Selection Committee (GSA ASC) was consulted about this proposal via email on 28 February 2019. The GSA Board recommended these changes to GSA Council at its 3 April 2019 meeting.

The main recommended change is to introduce language that will help clarify that, for the self-nominated GSA Recognition Awards, in order to be eligible, individuals only have to be a GSA member at the time the GSA Recognition Awards nomination period is open. This will help clarify situations where a graduate student may have been enrolled in the fall term but is on a leave from their program as of January, and so would not have a registration document from the current term to include with their nomination package.

As per GSA Bylaw and Policy, Section O: GSA Recognition Awards, GSA Policy: GSA Standing Committees, GSA Awards Selection Committee, Section O.POL.5.1.a (“the GSA ASC will be consulted concerning any proposed changes to the number, selection criteria, names, and value of GSA Recognition Awards”) and, as noted above, the GSA ASC was consulted in February.

Jurisdiction:

GSA Bylaw and Policy, Section F: Standing Committees, GSA Policy, Standing Committees, Section F.POL.4.2.a
The GSA GC will "advise GSA Council on matters of GSA Bylaw and Policy not in the purview of any other GSA Standing Committee, or other governance issues, and recommend changes to GSA Council."

GSA Bylaw and Policy, Section A: Authority, GSA Bylaw, Authority, Section A.BYL.2.2
"GSA Policy is under the jurisdiction of GSA Council and may be amended by a simple majority vote of GSA Council at any meeting of GSA Council."

GSA Bylaw and Policy, Section O: GSA Recognition Awards, GSA Policy: GSA Standing Committees, GSA Awards Selection Committee, Section O.POL.5.1.a
"The GSA ASC will be consulted concerning any proposed changes to the number, selection criteria, names, and value of GSA Recognition Awards."

**Statement of Interest**

I’m a physician and specialist in Internal Medicine from Mexico. I’ve been involved in student-related matters to improve the quality of educational programs ever since I started medical school. During those years, I maintained a position as a student representative in the Faculty’s Council and was involved in several sub-committees, such as the Elections Subcommittee. I believe this previous experience would be of great value for this position.

During the last year of my residency program, and due to outstanding academic achievement and exceptional leadership skills, I was appointed the Chief Resident of Medicine at the National Institute of Medical Sciences and Nutrition, one of Mexico’s National Institutes of Health. As such, I oversaw all the residents’ activities and planned the academic program for current and future residents at my institution. This also included discussing their theses. I also organized their shifts and clinical rotations within and outside of the institution. Additionally, I served as a member of several administrative committees within the hospital, such as the Electronic Health Record, Patient Quality and Safety, Pharmacovigilance and Morbi-mortality committees. Finally, I was one of the Chief Residents organizing the 9th annual national congress for residents from the Mexican National Institutes of Health and High-Specialty Hospitals. These experiences complemented my formation as an internal medicine specialist with leadership, teaching, administrative, organizational and inter-personal skills which I’m convinced would also be a valuable asset to my work as a GSA councillor.

Finally, during the last year, I’ve served as a graduate student representative at the General Faculties Council, where I’ve had an initial contact with our University’s goals and priorities, as well as how students can be involved in the University’s governance and decision-making processes. This experience attests to my standing commitment to be involved and accountable for the continuous improvement of my educational environment.

**Bio**

I’m 32 years old and I was born and raised in Monterrey, Mexico where I obtained my Medical Degree. Afterwards, I moved to Mexico City to do my residency. I then decided to pursue a basic research-oriented degree to complement my clinical formation. I am convinced this strategy will give me the abilities needed for the optimal implementation of a translational approach into my research. I moved to Edmonton with my wife (and my dog) and started my PhD in Surgery in May, 2018. I’m currently involved in research
related to pancreatic islet transplantation and I'm honored to work under the supervision of Prof. James Shapiro, a global leading authority in this field. I'm very enthusiastic about diabetes research and I deeply believe in fostering interdisciplinary research collaborations as the fundamental driver of knowledge translation.

In my free time, I like to go out for runs in the River Valley, play soccer within the intramural league. Also, I've recently brought my guitar from Mexico and I’m very enthusiastic about picking it up again.

Summary Resume

Working as a physician, both in the public and the private sector, has given me a great opportunity to meet and work with people from multiple backgrounds. I’m convinced that this has made be a profoundly empathic and someone that’s easy to work with. Further leadership challenges have made me aware of the value of participating in activities that shape your current circumstances and the value of committing to continuous improvement, wherever you may be.

It is this premise that has driven me to pursue a research-oriented career, I want to contribute to produce high-quality research that not only is limited to the “bench” but that can also be translated to the “bedside”. As a first-year PhD student, on the academic realm, I’m currently participating in projects involving pre-clinical models to assess different strategies to optimize efficacy of pancreatic islet transplantation as a potential cure for type 1 diabetes; and perhaps to other types of diabetes. I am working in collaboration with several labs within the University of Alberta and in projects involving the industry, which includes bioengineering corporations. Given my clinical background, I’m also pushing to be involved in several patient-oriented research projects in diabetes and within these couple of months of my PhD program I've already co-authored a clinical article and the second one (as a first author) is being reviewed for potential publication.

I will deliver my best if elected and I have a schedule that is compatible with a full commitment to participate in this committee as required.

**Statement of Interest**

I have been involved in the GSA for an extended period of time (two years as VP Labour and one year as President). This experience will be an asset while serving on GSA council as Councillor as Large. I have extended internal knowledge on the processes around bylaw and policy, GSA services such as the Health and Dental Plan and the Graduate Students' Support Fund, and the role the GSA plays as the Union for TAs, RAs, and GRAFs. In addition, I have a comprehensive understanding of the University of Alberta's decision-making processes and, for example, the implications of Bill 19. However, most importantly, I have connections with graduate students across the U of A campuses and look forward to continuing my advocacy work on their behalf.

**Bio**

Born and raised in the Netherlands, I came to Canada 3.5 years ago to pursue my Doctoral degree in Animal Science. I finished both my BSc and MSc at Wageningen University, and spend 6 months in Spain for an internship. If I have time left over next to my extensive work on advocacy for graduate students through the GSA and writing academic papers about chickens, I love to go horse riding and I play in the hockey team “The Fluffy Roasters”.

**Summary Resume**

I am currently in my fourth year of the PhD program in Animal Science in the Department of Agriculture, Food, and Nutritional Sciences. My supervisor is Dr. Martin Zuidhof and I work on precision feeding for poultry. I worked for a short term between my MSc and PhD program as a research assistant with Cargill in the Netherlands. I served as VP Labour for the GSA from 2016-2018 and as President in 2018-2019, in those roles I served on many internal and external committees. I advocated for guaranteed minimum funding packages, better quality assurance for supervisory practices, and mental health support for graduate students. I also volunteer for the Classroom Agriculture Program, have experience as a TA and as a guest lecturer.
### Statement of Interest

I have gained invaluable expertise and skills from running for the GSA 2019 General Elections for VP-Student Services position which would benefit my role as a GSA Councilor-At-Large. My numerous volunteering activities with many community organizations and university associations during the past few years will also make a significant contribution to the GSA Council. Furthermore, through my industrial experience, I am exceptionally experienced at project planning, budgeting and coordination which would be an asset for this position. Moreover, I am very passionate about gaining a solid understanding of GSA governance, and about advocating for fellow graduate students, which aligns with the mandate of this position.

### Bio

I was born in Gaza city, Palestine. I first came to Canada as an international student in 2007 to pursue my master’s degree in Construction Engineering and Management which I have completed in 2009. I, then, worked in the construction industry for a few years gaining experience in project budgeting, coordination, and management. Currently, I am a PhD student in Civil and Environmental Engineering Department with a research focus on the applications of Machine Learning techniques in the industrialized construction industry. During my undergraduate and graduate life, I have served as a teaching and research assistant through which I gained invaluable experience in assessing a wide range of projects, communicating with a broad spectrum of students, and self-reflect on why and how to help others. Through teaching, I have seen a mutual benefit of paying back to the community and being inspired by students’ brilliant thoughts and feedback.

### Summary Resume

I have numerous volunteering activities with various community organizations and university associations. I have recently volunteered with APEGA Science Olympics in April 2019 held at U of A Pavilion. In addition, I played an important role in organizing Modular and Offsite Construction (MOC) 2016 conference as well as the upcoming MOC 2019 conference. I have also volunteered for Partners for Humanity organization as a tutor and mentor for young students in need of academic enrichment with their high school math courses; and for Deep Freeze 2017 Festival, a winter family event organized by a non-profit charity organization in collaboration with the City of Edmonton every year. Currently, I serve as an executive member of MSA at the U of A. I have a flexible
schedule that can accommodate the meeting requirements for this position as outlined in the GSA Council Handbook.

Statement of Interest

I have learned a few skills such as strategic planning, teamwork, and discipline by sitting on several professional boards. Being chosen as a member in the board of directors of my field of study (Thermal Spray Society) on international level has enabled me to learn as much I can from the senior professors and industry leaders. Furthermore, as a current member of GSA Board, I have obtained considerable amount information by sitting at GSAB weekly meetings and reading the submitted reports. I believe that my participation in GSA Board has also raised my knowledge about GSA financial matters and can be considered as an asset to my work in GSA Finance and Budget Committee, if elected to serve on this committee.

Bio

I was born in Tehran, Iran. After completion of high school and undergraduate studies, I managed to get accepted in the most prestigious school of engineering in my country, Sharif University of Technology. After completion of my Masters degree and working part-time on several research projects, I applied for a position at the University of Alberta that was similar to to my research background -that is- thermal spraying. Given the nature of my research and its application in industry, since January 2016 that I started my program, I have been in contact with several well-known companies and
industrial partners for research collaborations. In addition to my professional commitments, I also enjoy serving in voluntary non-profit activities and so far, I have served as a volunteer in several associations.

**Summary Resume**

It is my fourth year being enrolled in the Department of Mechanical Engineering Ph.D. program. Currently, I am an active member in several associations. The most important one of them is the ASM International thermal spray society board of directors, which is the leading global source in my field of study. Selection of me as one of the two student board members among many applicants worldwide has provided me with a unique and professional experience. Furthermore, I have been chosen as the only student member in the training committee of the network of researchers in my field in Canada (GSTC). Considering the experience and knowledge that I have gained through these years, and I am determined to acquire more, I am highly motivated to serve as a member on GSA Budget and Finance Committee to contribute my share and provide consultation in decision making process. I believe that the knowledge that I have acquired so far by attending the GSA Board meetings, as a board member, will help me to serve on this position properly. I am confident that engaging in this committee will improve my strategic thinking skills and heighten my awareness of challenges associated with decision making process. Now that I have passed my candidacy (qualification) exam, my schedule is more flexible and I can attend the meetings of this committee on a regular basis.
Dear GSA Council Colleagues,

5 April 2019

As many of you will remember, my team and I began the development of the 2018-2019 Board Strategic Work Plan (SWP) in May and we presented the finalized Plan to GSA Council in July. The complete SWP is available on the GSA website.

Below is the final update concerning the GSA’s progress in pursuing the strategic goals outlined in the 2018-2019 SWP. Updates were also provided to GSA Council in October and January. Highlights from my portfolio include:

- I have continued advocating for the establishment of minimum funding packages at the U of A, which is a major component of our 2018-2019 GSA Board Strategic Work Plan, and a project that has been ongoing for a number of years. At the February 2019 GSA Council meeting, I was pleased that GSA Council was able to review and discuss background briefing note and draft proposal associated with this prepared by the Faculty of Graduate Studies and Research (FGSR). While there are a number of details that need to be worked out and questions that remain, I am proud that this draft proposal now exists, following extensive advocacy efforts on this project this year. I’m also very grateful for past GSA teams who started the conversations.

- At the 15 March 2019 meeting of the Board of Governors (BoG), the proposal to increase international graduate tuition by 2.77% for 2019-2020, and which I voted against, was passed. As a reminder, for 2019-2020, the Government of Alberta had mandated that post-secondary institution freeze domestic tuition, and mandatory non-instructional feels for both domestic and international students. In 2019, important conversations will continue between the GSA, the Alberta government, and the University of Alberta regarding the implementation of the provisions of Bill 19, which requires post-secondary institutions in Alberta to communicate to international graduate students, at the outset of their program, the maximum amount of tuition they will pay each year, for the duration of the standard length of their graduate program. Specific issues to address will include: how the standard length of programs is defined and communicated to international graduate students, what will happen during the transition period, and whether current international graduate students will be grand-parented into the new model, as Bill 19 encourages predictability for current international graduate students as well.

- The BoG is currently revising its standing committee structure and membership, a project that started in 2017. It is anticipated that in the spring many of the recommendations, including revisions to the Terms of Reference of various BoG committees, will be implemented. I have been engaged in ongoing conversations with the current ad hoc BoG Governance Committee to advocate for graduate student representation on BoG committees, in order to ensure robust and effective GSA representation at the highest levels of University Governance.

- I continue to meet monthly with representatives from the Indigenous Graduate Students’ Association (IGSA), and, in pursuit of supporting “initiatives and programs that specifically support Indigenous [...] graduate students” (2018-2019 GSA Board Strategic Work Plan), I am proud to report that GSA Council approved the creation of a seat on GSA Council for an Indigenous graduate student, and that GSA Council was able celebrate this new seat at GSA Council in February. I thank the members of the IGSA for all of their efforts in planning and implementing this celebratory event.

- In March, I developed a joint presentation for the 2019 Student Advisors’ Conference at the University of Alberta with Kristine Wray, President of the IGSA. The theme of the conference was “Connecting Our Voices: Sharing and Understanding Our Stories,” and our presentation focused on how the IGSA, as a newly established group, works to support, mentor, and increase the visibility of a growing group on campus, and how the GSA has worked to amplify their voice within the University structure this year.

- One of the three priorities for the Alberta Graduate Provincial Advocacy Council (ab-GPAC) for 2018-2019 was to look at the alleviation of barriers to post-secondary (graduate) education for Indigenous students. In furtherance of developing this priority, ab-GPAC continues to develop research procedures and to consult with the IGSA, along with other Indigenous student stakeholders.
As outlined in the 2018-2019 SWP, the GSA would continue to evaluate possible memberships with national advocacy groups. In furtherance of this goal, I met with the Member Relations Officers for the Canadian Alliance of Student Associations (CASA) in early February, and also attended a CASA conference in March to learn more about this organization and how their advocacy efforts relate to graduate students.

Recent team goals that spanned across different Directly-Elected Officers’ portfolios included:

- To align with our goal of maintaining the GSA’s presence in Pride Week programming, my team and I were honoured to participate in the U of A Pride Week Parade on 13 March.

- In early March, the Directly-Elected Officers and GSA Board members participated in a focus group with an FGSR intern regarding their perspectives on graduate student mental health and wellness. The GSA looks forward to continuing exploring ways that the FGSR can support and collaborate with graduate students on this complex issue.

- Along with Masoud, I raised the issue of international graduate students not being able to complete co-op programs with the Interim Dean of the FGSR, and was happy to hear that the Interim Dean will be further exploring this issue, along with potential solutions. In the past few months, we have also been discussing with the Interim Dean the importance of ensuring that clear and transparent letters of offer associated with admissions are provided to incoming graduate students, and I anticipate these conversations will continue as Bill 19’s requirement for communicating the total cost for the standard length of programs to international graduate students is implemented for 2020 onwards.

- In alignment with the broad goal of the 2018-2019 SWP to “foster a welcoming environment and an equitable, sustainable, safe, and healthy campus,” Fahed and I attended the inaugural event of the Black Graduate Students’ Association, on 28 February. At this event, we were also able to connect with current MLA, David Sheppard, and discuss graduate student experiences and issues.

Sincerely,

Sasha van der Klein, President
Dear GSA Council Colleagues,

5 April 2019

This report includes my updates from the internal task list for the 2018-2019 GSA Board Strategic Work Plan (SWP). The following are projects that I have initiated in the past few months since the most recent updates on the SWP to GSA Council in January, in addition to attending the regularly scheduled meetings of the many governance committees on which I represent the GSA.

- Following the receipt of a proposal from the Indigenous Graduate Students’ Association (IGSA) to add a separate voting seat for an Indigenous graduate student on the Council on Student Affairs (COSA), I spoke in support of this proposal at several committee meetings, and I am happy to report that at the 25 February 2019 General Faculties Council (GFC) meeting, the addition of this voting seat to COSA was approved. As the IGSA’s proposal outlined, while there was a originally a dedicated seat on COSA for an Indigenous student, as appointed by the Aboriginal Students’ Council (ASC), in the original draft terms of reference, Indigenous graduate students face different challenges compared to Indigenous undergraduate students.

- In response to graduate students bringing to my attention concerns about the procedural transparency around the adjudication process for scholarships and awards at the departmental and faculty levels, and the fact that appeal processes do not seem to exist for these decisions, Sasha and I met in March with the Interim Vice-Dean of the Faculty of Graduate Studies and Research (FGSR) to discuss this matter in more detail. To move this project forward, we researched whether other Canadian post-secondary institutions have scholarship and award adjudication policies that allow for appeals. During my conversations with the Interim Vice-Dean, I continued to advocate for the establishment of enhanced transparency mechanisms, such as the creation of feedback rubrics that could be provided to students following the adjudication of an award or scholarship within their department, their home faculty, or the Faculty of Graduate Studies and Research.

- As part of my ongoing efforts to encourage graduate student mentorship, I raised the idea of providing a modest supplementary stipend for graduate students involved as supervisors or co-supervisors in projects associated with the Undergraduate Research Initiative (URI), to ensure that they are recognized academically and financially. When I presented the idea of creating a modest stipend for graduate student participants to the URI Advisory Committee, committee members responded favorably, and as such, I worked to develop a formal proposal to bring forward to the URI Advisory Committee before the end of my term. This proposal stipend would also be provided to post-doctoral fellows serving as supervisors or co-supervisors for URI projects.

- Through my participation with the FGSR Policy Review Committee (FGSR PRC), we have been revisiting the current FGSR policy that graduate students are not permitted to take re-examinations, specifically for course-based graduate students. Members of this committee agreed to conduct more research to determine the frequency of re-examination cases. The FGSR PRC is also in the process of determining whether full-time graduate students should be able to shift to part-time status (with the exception of international graduate students, who must maintain full-time studies for the purposes of their study permits). When reviewing the proposal to allow full-time graduate students to shift to part-time status, and if such a policy is eventually implemented, I emphasized the importance of ensuring graduate students are well-informed about any implications that this shift could have on their ability to access funding opportunities (especially scholarships that are restricted to full-time students only).
• As I reported to GSA Council in October 2018, and in response to some graduate students bringing to my attention concerns about the scheduling of graduate courses during evenings and weekends or last-minute changes in scheduling, this past year, I raised this issue in three different committees (the General Faculties Council Academic Standards Committee (GFC ASC), the General Faculties Council Committee on the Learning Environment (GFC CLE), and the FGSR PRC). My goal was to see the introduction of a University policy concerning the scheduling (and any subsequent rescheduling) of University courses as none currently exists and I will continue to bring this matter forward throughout the duration of my term.

• Since January, I have been participating on the FGSR Learning Outcomes Framework Working Group, which is working to develop templates for graduate degree learning outcomes. Learning outcomes are statements that describe the essential knowledge and abilities that students are expected to possess once they have completed their graduate degree program. The pace of this project has been moving along quickly, and the working group will be presenting on this project to FGSR Council in April 2019 for pre-consultation. I also participated in two of the sub-groups (Scoping Exercise and Guide for Graduate Program Learning Objectives and Assessment) that worked on developing the details of the new framework.

Sincerely,

Masoud Aliramezani, Vice-President Academic
Dear GSA Council Colleagues,

5 April 2019

This report includes my updates from the internal task list for the 2018-2019 GSA Board Strategic Work Plan (SWP). The following are projects that I have initiated in the past few months since the most recent updates on the SWP to GSA Council in January.

- Along with Sasha, and in keeping with the non-partisan nature of the Alberta Graduate Provincial Advocacy Council (ab-GPAC), I have continued participating in ab-GPAC’s ongoing meetings with representatives of Albertan political parties.

- During the fall semester, I participated in several meetings related to residence issues, and actively participated in the Housing for Students Who Parent Committee, to review all student feedback collected through the University’s consultation process in order to determine what kind of supports the University should provide for families. The draft report on this topic was released in January, and I have been involved in ongoing conversations about its content and conclusions.

- In January, I also participated in a consultation with Residence Services regarding their Strategic Occupancy Management Plan. During this consultation, I emphasized a series of issues, including the fact that graduate students feel that residence rental rates are too high, that there are ongoing challenges associated with commuting between Michener Park and the main U of A campus, and that there are challenges associated with accessing convenient and affordable grocery stores faced by graduate students living in University residences.

- As a member of the Residence Advisory Committee and the Joint Residence Oversight Committee, I continued discussing the University’s residence budget, and the proposed increases to residence rates and meal plans that are anticipated for 2019-2020. GSA President, Sasha, along with the Students’ Union representatives on the Board of Governors (BoG), voted against the proposed 5% increase to University residence rental rates at the 15 March 2019 BoG meeting. During this meeting, Sasha argued that residence rates should not increase for those living at Michener Park, given that this residence will close in 2020. The GSA will continue advocating to the University that variable supports be provided to the graduate student residents of Michener Park, and their families, while residents move out of the property.

- Finally, in my role as the Chair of the GSA Awards Selection Committee (GSA ASC), the GSA ASC will be having another in-person meeting before the end of my term to debrief on the 2019 GSA Recognition Awards adjudication process, and consider whether to propose changes to any of the eligibility criteria for the current GSA Recognition Awards. I was also honored to attend the 2019 GSA Awards Night in March, and appreciated the opportunity to congratulate all of the winners of the 2019 GSA Recognition Awards.

Sincerely,

Zhihong Pan, Vice-President External
Dear GSA Council Colleagues,

This report includes my updates from the internal task list for the 2018-2019 GSA Board Strategic Work Plan (SWP). The following are projects that I have initiated in the past few months since the most recent updates on the SWP to GSA Council in January.

- Negotiations for the next Graduate Assistantship Collective Agreement (CA) have been ongoing for several months and updates on negotiations have been shared with all current academically-employed graduate students. As per the regulations outlined in the Labour Relations Code, a final ratification vote was sent to all current academically-employed graduate students in January. As this ratification vote did not pass, collective bargaining continues. Over the past few months, I have been actively engaged in continued consultation with academically-employed graduate students (AEGSs) to inform these ongoing negotiations, which has included hosting two Labour Town Halls, and implementing standing office hours each week to meet with academically-employed graduate students. This work has also involved responding to approximately 5 – 8 emails per week from academically-employed graduate students with feedback or questions about the negotiations.

- I am pleased to report that at the 15 March 2019 meeting of the Board of Governors, and as a result of negotiations done concurrently but separately from those involving the Collective Agreement, an increase to the Graduate Student Support Fund (GSSF) was approved. The amount of the GSSF, which was previously $814,000 is now 1,064,000 (please note that the actual amount of the GSSF for 2019-2020 is $964,000 but $100,000 was carried over from 2018-2019). This fund serves as a benefit to all graduate students, and is used to fund the GSA Academic Travel Grants, GSA Child Care Grants, GSA Emergency Bursaries, and GSA Recognition Awards and I am extremely happy that we were able to negotiate an increase in these funds.

- As reported previously, a large portion of my portfolio involves meeting with individual graduate students in person or over email regarding the interpretation of and compliance with the Collective Agreement. I have continued this work by responding to approximately 10 email conversations with graduate students per week, and meeting with approximately 4-5 graduate students per month, to assist with more complex issues.

- Along with Sasha, I met with Wade King, Director of the Office of Safe Disclosure and Human Rights, to discuss graduate student supervision and ongoing GSA work associated with the development of a document detailing graduate students’ rights.

- In February, I attended the second meeting of the University’s new Joint Worksite Health and Safety Committee, which was established as part of the provincial government’s new Occupational Health and Safety Legislation. This committee continues to work on establishing a process for graduate students to electronically report any perceived violations related to health and safety (including harassment).

- In addition to participating in the Joint Worksite Health and Safety Committee, I have also met individually with representatives from the Post-Doctoral Fellows Association (PDFA), the Non-Academic Staff Association, and the Association of Academic Staff University of Alberta (AASUA), to strengthen connections with these labour unions.

- Through my participation this past year in the Campus and Facilities Safety and Security (CFSS) Working Group, its members have been discussing the feedback from various stakeholders, including GSA Council in January. The draft report was presented to the General Faculties Council (GFC) in February, and the final report, which was approved in March, was sent to the U of A Vice-President (Facilities and Operations) and Vice-President (Finance and Administration). The CFSS Working Group will now be transitioning to a standing committee to continue it work, and two subcommittees on communication and education will be established. The GSA and the Students’ Union will have representatives serving on
the new CFSS Committee, and these two subcommittees.

- I have also been working to expand the GSA’s role as a union by developing strategies for outreach and engagement, in collaboration with GSA management. To build on the conversations and consultation with academically-employed graduate students that were carried out during the Graduate Student Assistantship Collective Agreement negotiations, these strategies will include regular email updates to the bargaining unit, bi-annual town halls, and frequent GSA Labour Relations Committee meetings.

Sincerely,

Beth Richardson, Vice-President Labour
Dear GSA Council Colleagues,

5 April 2019

This report includes my updates from the internal task list for the 2018-2019 GSA Board Strategic Work Plan (SWP). The following are projects that I have initiated in the past few months since the most recent updates on the SWP to GSA Council in January.

• In weighing opportunities to improve GSA services, and following GSA Council’s approval of the GSA Health and Dental Plan Fee for 2019-2020 in March, for the April 2019 GSA Council meeting we have developed a proposal to increase dental coverage for the GSA Health and Dental Plan (without increasing the cost paid by graduate students).

• I have been participating since January in the newly formed Campus Clean Air Strategy Working Group, which is working to develop strategies to make the University of Alberta a smoke free campus. The group is focusing on cigarettes, vaping, shisha, and cannabis smoke, and contains representatives from various stakeholders, including student groups, faculties, Environment, Health & Safety (EHS), and Protective Services.

• These past months, I have continued collaborating with the Office of the Dean of Students, along with the Students’ Union, regarding the consultation process that will take place for the development of mental health standards for our institution. These efforts are part of a larger project to develop a Post-Secondary Student Standard for Mental Health, as overseen by the Mental Health Commission of Canada. As reported to GSA Council previously, the consultation process is expected to conclude by May 2019. I also worked to connect the Dean of Students Office with the Indigenous Graduate Students’ Association (IGSA), as another key stakeholder for this project.

• Following the 18 March 2018 meeting of GSA Council, I am pleased to report that GSA Council approved the recommended changes to GSA Policy on grants and bursaries. Some key changes included removing the provision that only dependent children up to age twelve (12) are eligible for the GSA Child Care Grant in favour of dependent children up to the age of eighteen (18) being eligible for this funding, and increasing the amount provided for GSA Emergency Bursaries from $2,000 to $4,000.

• Since January the U-Pass Advisory Committee and the U-Pass Administration Committee have been discussing at-length the anticipated 2020 integration of Smart Fare with the U-Pass program. As a reminder, the City of Edmonton is implementing a “tap and go” fare payment system that will be implemented for all users utilizing the Edmonton Transit System (ETS), as well as transit systems within St. Alberta and Strathcona County. The U-Pass Administration Committee struck a smaller work group to further discuss the details of implementing Smart Fare for the U-Pass program with various University of Alberta stakeholders. The GSA will remain engaged with these conversations.

• In consultation with the GSA office team, we developed a 101 session on the topic of GSA funding opportunities, and six graduate students attended the second session on 11 March 2019.

• Through my work with the Days of Action Committee, members of this committee coordinated a photo series on the topic of gender-based violence, and graduate students were encouraged to share their personal stories. This committee, along with University of Alberta International, also coordinated various programming to highlight the International Day of Happiness on 20 March.

Sincerely,

Fahed Elian, Vice-President Student Services

The GSA Board Strategic Work Plan 2018-2019: Key Achievements

Foster

The creation of a voting seat on our GSA Council for an Indigenous graduate student was approved at our January Council meeting.

Support

Building on several years of GSA advocacy, early consultation at the level of FGSR Council and GSA Council has started concerning the establishment of a University-wide guaranteed minimum funding package for doctoral students.

Advocate

The recent passage of Bill 19 is the result of our advocacy efforts over the past three years and will improve transparency and predictability with respect to tuition for both international and domestic students.

Connect

We developed more outreach and engagement opportunities with and for our members, such as a redesign of the GSA Board Strategic Work Plan and the weekly GSA newsletter and development of information sessions on GSA services, and we continued to improve our social events for graduate students.
The Graduate Students’ Association Board Strategic Work Plan 2018-2019

Foster Support Advocate Connect
Our Vision and Mission

To advocate for all graduate students to the University of Alberta and the Alberta Government for a safe, supportive, respectful, accessible, and inclusive community that fosters the multi-faceted roles played by graduate students.

WHAT IS THE GRADUATE STUDENTS’ ASSOCIATION?
The Graduate Students’ Association (GSA), as mandated by the Post-Secondary Learning Act, represents graduate students at the University of Alberta. The GSA, as a separate corporation, is both a part of the University of Alberta and apart from the institution. The GSA Board believes that a healthy organization is nurtured through effective relationships with all stakeholders. To sustain the organization’s long-term health and excellent reputation, the GSA fosters a culture of respect and professionalism among staff and graduate student leaders, engages in regular review of governance processes, and ensures an annual transition process that facilitates the on-going education of elected graduate student leaders.

WHAT IS A GRADUATE STUDENT?
A graduate student is a junior colleague who contributes to their field of study in pursuit of an advanced degree through collaborative work with the professoriate in research, teaching, and the development of University learning environments. These contributions may be accomplished through: extensive coursework, for which graduate students pay tuition; academic employment, for which graduate students are paid; the co-creation and writing of scholarly work; the securing of academic funding; presentations, conferences, and community engagement; and capstone projects, theses, or dissertations. This multi-faceted position takes place in an environment of mutual respect and fairness aimed at developing skills and knowledge for future careers and is one that provides appropriate remuneration for labour in service of the enhancement of the institution.

WHAT IS THE GSA BOARD’S STRATEGIC WORK PLAN?
The GSA Board’s Strategic Work Plan is the document that steers and prioritizes the work and initiatives of the GSA. The GSA sees this as a living document, shifting directions as needed as the provincial, federal, and University landscapes change. It is developed annually with reference to the Strategic Work Plans of previous GSA Boards, and provides a planning document for this and future years.
Graduate students elect GSA leaders each February. Here are the 2018-2019 GSA Directly-Elected Officers (from left to right): Vice-President Academic, Masoud Aliramezani; Vice-President Student Services, Fahed Elian; President, Sasha van der Klein; Vice-President Labour, Beth Richardson; and Vice-President External, Zhihong Pan.

Our Goals

Foster a welcoming environment and an equitable, sustainable, safe, and healthy campus.

The GSA values the contributions and diversity of graduate students and fosters a culture of inclusion and acceptance. The GSA will work to sustain a respectful, supportive, and welcoming environment for all graduate students, (including Indigenous graduate students, international graduate students, and graduate students who parent, among others), and will further sustain working relationships with stakeholders to ensure an inclusive campus free from discrimination; one that offers support for graduate students in diverse circumstances and with diverse needs.

The GSA will advocate for and support:

- Initiatives and programs that specifically support Indigenous and international graduate students.
- Leadership in environmental sustainability.
- Review and improvement of safety and security on campus.
- Campus-wide health and wellness initiatives.
Support

graduate students by working with the University and government to ensure affordable tuition, cost-effective housing, and food security, and to provide access to financial means to empower graduate students to complete their programs.

The GSA advocates for:

- Guaranteed, transparent and sustainable funding packages that support a reasonable standard of living for all thesis-based graduate students for the duration of their programs.
- Greater financial supports for all graduate students, including higher compensation for assistantships, increased merit based and non-merit based financial support (as well as greater accessibility to these supports), and increases to the Graduate Student Support Fund.
- A predictable tuition model that ties graduate student tuition increases (for both domestic and international graduate students) to the Alberta Consumer Index.
- Sustainable, affordable, and well-maintained graduate student housing (for individuals and families).
- Enhanced resources and supports for graduate students who parent, and their families.
- Implementation of initiatives to prevent homelessness, improve (mental) wellness, and enhance supports for graduate students with dependents.

Did you know?

Graduate education plays an important role in a prosperous society. Graduate students’ success is dependent upon access to sustainable and appropriately sized funding packages and predictable expenses for the duration of their programs. A lack of sustainable graduate student funding and unpredictable increases in educational costs create significant strain on graduate students’ health and wellness and can lead to increased drop-out rates.

In furtherance of the goal of supporting graduate students, the GSA will continue to support the Campus Food Bank, as well as workshops and services that assist graduate students with their academic progress. Additionally, the GSA will assist graduate students living in residences, and their Residence Associations, to ensure safe living conditions and excellent services.
**Advocate** for a supportive learning and work environment based on respectful and professional relationships, and for compliance with the GSA’s Collective Agreement (CA) governing graduate student assistantships.

Graduate student success relies on quality education and quality supervision throughout a degree program. In addition, professional development opportunities for graduate students are essential for future career success. Furthermore, all graduate students are entitled to a safe and respectful study and work environment, free from harassment, discrimination, and bullying; the GSA is dedicated to working toward this. With specific reference to academically-employed graduate students, the CA negotiated by the GSA is a legally binding document between the GSA and the University of Alberta Board of Governors that outlines expectations for fair compensation and a healthy work environment and the GSA is committed to ensuring campus-wide compliance with its provisions.

The GSA will:

- Advocate for high-quality graduate-level programs and courses and opportunities to provide graduate students with international research and study opportunities.
- Collaborate with and advocate to the Faculty of Graduate Studies and Research and senior University administrators to make quality graduate student supervision an institutional priority (including creating an accountability structure for supervisory evaluation and establishing a means of safe disclosure and reporting of concerning supervisory behaviour).

**Did you know?**

The GSA:
- meets regularly with the Dean of the Faculty of Graduate Studies and Research and the Dean of Students
- is a member of the provincial advocacy group the Alberta Graduate Provincial Advocacy Council
- has seats on the Board of Governors, the General Faculties Council, and their sub-committees
- works individually with students to help them

The GSA will:

- Support and collaborate with partners and stakeholders with respect to the establishment of a variety of high-quality professional development and internship opportunities in recognition of the diverse future career paths ahead of graduate students.
- Support and advocate for graduate students with CA issues and ensure University-wide awareness of and compliance with the CA while highlighting that, as per the *Labour Relations Code*, the GSA is a “trade union for the purposes of acting as bargaining agent for the academically employed graduate students” at the University.
- Provide guidance to graduate students experiencing issues outside the scope of the CA and aid them in navigating University processes and structures.
Connect with GSA stakeholders to support graduate student success and build connections between graduate students and the GSA.

Relationship building is key to the mission of the GSA to create a common vision of excellence in graduate education at the University, as well as across Alberta and Canada.

The GSA will reinforce strong relationships with:

- Key players of the Government of Alberta (such as the Minister of Advanced Education).
- Members of senior University Administration (such as the University’s President, the Dean of the Faculty of Graduate Studies and Research, the Provost and Vice-President (Academic), the Dean of Students, the Chair of the Board of Governors, and the Chancellor).
- Other campus stakeholder associations (such as the Students’ Union, the Association of Academic Staff, University of Alberta, the Postdoctoral Fellows’ Association, and the Non-Academic Staff Association).

Did you know?

The GSA has:

- graduate student lounges at Triffo Hall
- rooms available for booking
- several fun events per year
- two large orientations specific to graduate students and participates in 40-45 departmental orientations
- a weekly newsletter, website, and social media profiles that highlight events and ways to get involved

Relationship building between the GSA and its members is also pivotal to foster a strong basis for our mission and vision of advocacy. The GSA will create opportunities for graduate student awareness of and engagement with the GSA by:

- Exploring and utilizing effective communication methods.
- Offering orientation sessions and 101s on key issues.
- Offering engagement and celebratory events.
- Maintaining involvement in discussions concerning dedicated graduate student social space.

GSA President
Report to GSA Council for the 15 April 2019 Meeting

To: GSA Council
From: Sasha van der Klein
Date: 12 April 2019

Dear Council Colleagues,

This is my last full report to Council as GSA President (I’ll submit a short report for the May meeting that covers my last two weeks in office)!

Three years of serving this organization have flown by and it was a nice gig. If you all decide so, I would like to serve one more term with the GSA as a CAL, I can’t yet say goodbye forever. Thank you to all of you for your engagement and support throughout these years. Before I get emotional and all that, please find below some highlights from the last weeks.

External

Ab-GPAC – We will have our transition meeting in Calgary on 12-13 April. Marc, your incoming Vice-President External, will probably update you next month with the details, but a new team of student leaders are ready to advocate on your behalf at the provincial level. Also, the provincial election will take place 16 April (tomorrow!), so I would encourage you to get out and vote if you haven’t already done so in the advance polls. Please read this ab-GPAC blog post if you want to get information on how the various parties responded to questions around graduate student matters that ab-GPAC submitted to them.

CASA – I attended the Canadian Alliance of Student Associations conference in Halifax. This 3-day conference included an overview of the year for CASA and several discussion items. CASA advocates on a federal level for improvements to post-secondary education for both undergraduate and graduate programs. Their advocacy efforts have resulted in some significant outcomes in the 2018-2019 federal budget, including enhanced funding for Master and Doctoral scholarships.

Internal

ACCESS Outreach – I visited the new ACCESS Outreach team during their open house in CAB. ACCESS Outreach provides direct support to students and their team includes two social workers who work one-on-one with students. Both undergraduate and graduate students can access this support service. For more information about ACCESS Outreach, click here.

Job Shadowing – During many of my meetings this month I had to say goodbye to a lot of people. The good news is that, during these meetings, I also had the opportunity to introduce these folks to Fahed as incoming President, so he will be completely up to speed when his term starts. The other DEOs have been doing the same, so the new VPs will hit the ground running on 1 May.

Key achievements – Included in your package you will find the GSA Board Strategic Work Plan (SWP) Key Achievements document. This document will also be distributed to all stakeholders who received the SWP at the beginning of my team’s term. It will serve as an information item for them on what goals we reached this year, and as a heads up to expect a new SWP this Summer.

That was it! In two weeks Fahed will take over, but until that time please don’t hesitate to send me an email or knock on my door in Triffo Hall, I always like to hear from you!

Thanks,

Sasha van der Klein, President

FGSR Learning Outcomes Discussion

Motions and Agreements: None
To: GSA Council  
From: Masoud Aliramezani  
Date: 12 April 2019

Dear Council Colleagues,

I hope you are all doing well.

This report is almost my last report to GSA Council, as my term ends at the end of April. I would like to congratulate the new GSA Directly-Elected Officers and wish them the best in the upcoming year. I would like to also extend my appreciation to all my colleagues in GSA Council and to my fellow graduate students who have been supporting us throughout the past year.

In the past month, I have attended several meetings, and I am going to highlight some important ones in this report.

I attended the Faculty and Graduate Students and Research (FGSR) Council in March where the PhD minimum funding package proposal was discussed briefly. The FGSR is continuing to distribute this proposal and seeking input from different stakeholders around campus, including Deans’ Council. This will be an ongoing effort and I am sure that the GSA will be advocating for this throughout the process.

I have also been collaborating with the FGSR Learning Outcomes Framework Working Group to develop templates for PhD degree learning outcomes. The working group presented the scope of this project to FGSR Council in March for pre-consultation and will bring the updated draft to FGSR Council in April for a more detailed consultation. As I mentioned in my previous report to GSA Council, I have also been participating in two of the sub-groups (Scoping Exercise and Guide for Graduate Program Learning Objectives and Assessment) that work on developing on more specific aspects of the new framework.

Lastly, GSA DEO transition training was carried out on 25 March. During transition, as Zhihong also reports, the incoming and the outgoing DEOs discussed the ongoing and upcoming projects for the GSA and the challenges associated with them. The incoming VP Academic, Dylan, and I have also been having separated discussions about the ongoing and upcoming projects related to the VP Academic’s portfolio.

Should you have any questions or comments about this report, please let me know, and I will be more than happy to answer. Please do not hesitate to share your suggestions or concerns regarding any academic-related issue you or anyone from your department may have.

Warm Regards,

Masoud Aliramezani, Vice-President Academic

Dear Council Colleagues,

I hope that everybody is enjoying the last days of the semester. It’s almost my last Council report and I have to say goodbye to you guys. Every journey has an end but it has really been a great year of working with you. The following is a summary of meetings and events I have been involved with since last month.

**Residence related meetings**
I have attended the Residence Advisory Committee (RAC) meeting, where we discussed two surveys associated with residence. One is the Scion Survey about residence accommodations, related to the occupancy management plan, and a comparison of rent and associated fees between on and off campus housing. The other one is the Benchmarking Survey, which asks specific questions about residents’ experience and about their levels of wellbeing.

**Provincial advocacy group meetings**
I attended, along with Sasha, the Alberta Graduate Provincial Advocacy Council (ab-GPAC) Board meeting. During the meeting we discussed questions sent to the different political parties regarding graduate student issues. You can view their responses on the ab-GPAC website. Also, we discussed changes to the membership of the organization as well as the establishment of a contingency fund. In addition, we reviewed the new ab-GPAC Election Policy and discussed the transition meeting. For the ab-GPAC Governance Committee meeting, we discussed the organization’s Financial Control Policy and the committee’s work plan. In addition, we discussed recommendations concerning our advocacy priorities for next year (including graduate family support) and the need for ongoing consultation with Indigenous stakeholders.

**Other meetings and events**
Along with other Directly-Elected Officers (DEOs), I attended GSA Awards Night. The event was excellent and we had the opportunity to learn more about the outstanding recipients. Also, I attended the GSA DEOs transition and I want to take this opportunity to welcome the new GSA Vice-President External, Marc Waddingham, and the rest of the 2019-2020 team. I wish them all the best in the year ahead. As Masoud also reports, during the transition, we recapped what we have done during the last year and shared our own experience regarding our portfolio. We also communicated with the incoming DEOs thoughts for the next year. Another meeting I’ve attended is the Council on Student Affairs (COSA), during which there was a presentation on student learning analytics. The general idea of this concept is to track students’ learning analytics data and to generate a report that can be shared with feedback or recommendations to help them improve their academic performance. However, this initiative is still at the planning stage. Further discussions and consultation will occur over the next months.

**Alberta Graduate Citizenship Award**
Over the past few months, I have worked with Advanced Education as they embark on a redesign of awards and scholarships they provide to students. One big change is that international graduate
students will be eligible to apply and receive more awards than in the past. Another big change is the removal of the Alberta Graduate Citizenship Award that the GSA Awards and Selection Committee have been adjudicating. Consequently, it is my understanding that the GSA Governance Committee will be making editorial changes to GSA Bylaw and Policy to remove any references to the Graduate Citizenship Award.

At the end, as always, if you need more information or have any questions regarding the meetings that I have attended this past month, do not hesitate to contact me.

Zhihong Pan, Vice-President External

GSA VP Labour  
Report to GSA Council for the 15 April 2019 Meeting

To: GSA Council  
From: Beth Richardson  
Date: 12 April 2019

Dear Council Colleagues,

It’s the end of the semester, which means finals (or marking finals, or both...). I wish everyone luck with the end of the semester and the summer months, since this is almost my final report as GSA VP Labour. I am sincerely looking forward to being able to return to my spreadsheets full-time, but if you ever see me around campus feel free to come and say hello!

Campus Facilities Safety and Security
The second annual Personal Safety Survey is being released in the next few weeks from the office of Risk Management. If you would like to contribute your views on how the university can improve safety and security for all community members on the U of A campus, please make sure you fill it out. The GSA will share it in our newsletter.

Labour Rights 101
I presented another Labour Rights 101 session for the Earth and Atmospheric Sciences Students’ Society (which has the awesome name ATLAS), and it was very successful! We had a really in-depth discussion of labour rights and workers’ rights for graduate students, the Collective Agreement, and other issues affecting the ATLAS students in particular. I will encourage my successor to continue offering these presentations to as many departmental GSAs as possible in the next academic year when all students return to campus, but if you would like to get in touch to arrange a time for the GSA to visit your department sometime over the summer, please get in touch!

Collective Agreement
Negotiations for the new Graduate Student Assistantship Collective Agreement (CA) are ongoing, and we are hoping to come to a preliminary agreement (subject to ratification by the bargaining unit) soon. **If you are in the bargaining unit, please make sure you read my labour relations emails to ensure that you have all the relevant information for this vote.** I will be working with the GSA Labour Relations Committee to spread the word as widely as possible about the terms of the new CA before any vote takes place, so look out for that if you’re interested in the negotiations.

As always, please don’t hesitate to contact me – or my successor, Mohammad Shanawaz – if you have any questions, comments or concerns around your work, safety, or wellbeing at the U of A.

Best wishes,  
Beth Richardson, your Vice-President Labour

GSA Vice-President Student Services  
Report to GSA Council for the 15 April 2019 Meeting

To: GSA Council  
From: Fahed Elian  
Date: 12 April 2019

Dear Council Colleagues,

Finally, spring is here, and things are starting to feel better already! My thoughts are with those of you who are writing exams and getting all these papers and proposals ready for submission. You got this: keep pushing and good luck!

When I started writing this report, I got this bittersweet feeling, I believe it’s because I am getting excited and looking forward to the next phase of my GSA journey as President, but also because I know it’s time to say goodbye to my current team. For Sasha, Masoud, Beth, and Zhihong, thank you from the bottom of my heart. I had a great time working with you. Last year was full of laughs, challenges, meetings, advocacy, and great memories. We worked as one team, we had lots of goals to achieve and we did it. Good luck in your career and in whatever the future brings to you.

For the incoming team, I am very excited to start our journey and to work with all of you. We have a few political uncertainties considering the upcoming provincial and federal elections, but as always, we will be ready to face any challenges and to work together as a team and for the best of our association and its members.

I am happy to share my activities and to give you a brief update of the meetings I attended in the last month.

**GSA Awards Night**

I would like to congratulate all the recipients for their amazing work. I was amazed at every recipient’s work and accomplishments; our graduate students do great things not only in their specific field of studies but also in various other fields to contribute to make society better. Thank you for your work. I had lots of fun meeting and socializing with some of the graduate student recipients who attended the event. Finally, I would like to thank the GSA office, who organized a great event.

**Supporting Following a Campus Death Working Group Meeting**

This is a newly structured committee that will discuss best practices and strategies to provide support after a death on campus. The couple meetings we had this past month were mostly about discussing the mandate and the projected end goal of this group. This Working Group is still in early stages of its work and the incoming VP Student Services, Chantal, will be taking the lead once her term starts in May.

**Board of Governors Governance Committee**

I attended this meeting as an observer as my term will officially starts only on 1 May. Last year the Students’ Union sat on this Board of Governors Standing Committee and I am excited to serve there this
year. At this meeting, I raised the possibility of discussing student-supervisory relationship on the Board Learning and Discovery Committee and am hopeful that a discussion will be initiated.

Please do not hesitate to contact me if you have any questions or if you require further information about any of the meetings I attended. Also, please reach out if you have any ideas, suggestions, concerns, or comments, I would be more than happy to hear from you.

Sincerely,
Fahed Elian, Vice-President Student Services

GSA Executive Director
Report to GSA Council for the 15 April 2019 Meeting

To: GSA Council
From: Courtney Thomas
Date: 12 April 2019

Dear GSA Council Members,

The GSA’s fiscal year ended on March 31 and we are now undertaking our year-end financial reconciliation process as we prepare for our annual audit. Within the office, we have also been focused on on-boarding the incoming team of Directly-Elected Officers by facilitating a day-long transition session (held on 25 March), job shadowing, and a series of individualized training sessions customized to portfolios.

Additionally, the annual strategic planning cycle has begun and we are preparing for the work associated with the development of the next GSA Board Strategic Work Plan (SWP). As will be discussed at Monday’s meeting, the first step in the development of the next SWP is reviewing the initiatives undertaken and goals achieved in the current year. The outgoing team of Directly-Elected Officers (DEOs) have achieved a great deal in their terms (including but not limited to, advocacy efforts that resulted in measures such as the government’s approval of Bill 19 and the creation of proposals related to guaranteed minimum funding packages, a redesign of the GSA’s communications to encourage enhanced engagement with the organization, expansions in coverage to the GSA Health and Dental Plan, and increases to the Graduate Student Support Fund, which will allow the GSA to provide even more funding to graduate students in the form of Academic Travel Grants, Child Care Grants, and Emergency Bursaries).

The office support team is excited to welcome and work with the incoming team of DEOs and very thankful for the hard work, commitment, and collaborative nature of the outgoing team.

I am happy to answer any questions.

Best,

Courtney Thomas, Executive Director
