Welcome from Catherine Anley, Senior Consultant, Equity Diversity Inclusion, HRS

Welcome to the 2018-2019 Academic Year! The EDI team in Human Resource Services provides strategic advice, leadership, and education on creating equitable, diverse, and inclusive working and learning environments.

We work in partnership with colleagues in HRS, departments, faculties, and administrative units to deliver meaningful and effective services and learning opportunities. We are always keen to explore new ways to collaborate, don’t hesitate to contact us at hrequity@ualberta.ca with any ideas or requests for assistance you may have!

I am excited to release the Fall 2018 Educational Program and have attached the poster to this digest; please consider sharing broadly within your networks! The EDI Educational Program is designed to meet learning needs and create opportunities for members of all campus communities to engage in critical discussions about EDI. It also complements and supports the achievement of the strategic objectives outlined in the University of Alberta’s Strategic Plan, For the Public Good, and the HRS Strategic Plan 2018-2023.

Have a great fall semester!
Catherine Anley
