**Sample Nutrition Rotation**

1. Sample rotation schedules

10 months of clinical rotation  
- Malnutrition, Home Parenteral Nutrition, and Home Enteral Clinics  
- PN rounds at RAH and UAH  
- Malnutrition and PN consults in the Northern Alberta Zone

1 month of research

1 month of off service clinical rotations  
(eg. Nutrition related clinical activities in the IBD, NAFLD, cirrhosis clinics)

2. Review of the objectives (see separate email)  
- I reviewed the Google doc and it looks good to me

3. Description of your selection criteria for advanced fellows  
Applicants will be selected based on:  
- Communication Skills  
- Overall fit for the program  
- Research interest
