ONLINE APPROVALS COMING SOON.

When this change happens, you won't need to print forms and obtain physical signatures.

Flip this card for more details or visit uab.ca/R50
This change will affect the following forms/transactions:
1. New Research Application/Proposal/Project Request
2. Project Amendment Request
3. Over Expenditure Authorization Request
4. Subgrant Request
5. Agreement Acknowledgement Report

When a request is created & submitted online through Researcher Home Page, the request will move electronically through an approval chain. The illustration below shows how a New Research Application/Proposal/Project Request will move through the approval chain.
