

# The 3<sup>rd</sup> Annual Dr. Peter McCracken Memorial Lecture in Geriatric Medicine

**Bill Black Auditorium, Glenrose Rehabilitation Hospital**

Videoconference participation #827648, Registration for <http://bit.ly/geriatricgrandrounds>

**Tuesday, May 2, 2017 at 12:00 Noon**

## Rapid Geriatric Assessment

### **John E. Morley, M.B., B.,Ch.**

John E. Morley, MB, BCh, is the Dammert Professor of Gerontology and Director of the Division of Geriatric at Saint Louis University Medical Center. He also serves as Medical Director for two nursing homes.

Dr Morley earned a medical degree at the University of Witwatersrand, in Johannesburg, South Africa. After an internal medicine residency in Johannesburg, he completed a fellowship in endocrinology at the University of California, Los Angeles.

He has edited more than 20 books, and published more than 1300 papers, with major research emphases on the role of neuropeptides in the modulation of hormonal responses and behavior and on nutrition, geriatric assessments, diabetes and hormones in the elderly. He serves as Editor of *Journal of the American Medical Directors Association*.

#### **Presentation Objectives:**

1. To increase awareness of geriatric syndromes in elderly people.
2. To provide a simple management approach to geriatric syndromes.
3. To increase awareness of the need for advanced directives.
