**Goals:**

a. To facilitate understanding of the etiology, differential diagnosis and management of sight threatening ocular inflammation

b. To distinguish between types of eyelid trauma as well as various eyelid lumps and bumps

c. To recognize neuro-ophthalmic emergencies and discuss appropriate referral pathways

d. To foster collaborative patient-centered eye care

**SAVE THE DATE**

January 20, 2018

7:00 AM - 2:00 PM

**VENUE:**

Maple Leaf Room
Lister Conference Centre
University of Alberta
87 Ave 116 St
Edmonton AB, T6G 2H6

The program is open to family physicians, emergency physicians, ophthalmologists, and other physicians interested in ophthalmic disease, optometrists, residents, students, and other eye care professionals

**REGISTRATION OPEN:** Please visit Interprofessional Eye Care Forum to register online
