BASIC SCIENCE ABSTRACT GUIDELINES

- Must be Resident or Graduate Student registered in the Department of Surgery. This competition is **not** open to Fellows or graduate students in other departments.

- Only one submission per applicant allowed.

- Your supervisor **must** review your abstract prior to submission.

- Must be able to copy/paste into Microsoft Word.

- The abstract limit is **350** words using **12-point Times New Roman** font. **Note:** headings are not included in the total word count.

- Additional authors to be listed in authorship order.

- **NO** tables, graphs or figures will be accepted in the abstract.

- Incomplete submissions or submissions not adhering to the above guidelines will be returned to sender.

- Please submit only studies with available results section (i.e. do not submit abstracts with no results).

- Email completed abstracts to surgrsch@ualberta.ca no later than **noon, February 22, 2019**.

- You will receive an email confirmation verifying receipt of your abstract within **2 business days**.

- The choice of oral vs. poster is made by the Abstract Review Committee based on overall scoring in the categories of basic or clinical science.

- All applicants will be notified regarding the status of their abstract (successful vs. unsuccessful) via email the week of March 13, 2019.
