Faculty Updates

Research Recruitment Notice

There is a new study we have running at the U of A's FoMD.

The aim is to recruit undergraduate and graduate students from different departments on campus to participate in this online research. We have TRAC approval (TRAC2017SE0203a). The research project is entitled "Expediting Knowledge Synthesis and Translation in Pediatric Clinical Care: Piloting a Living Systematic Review on Interventions for Bronchiolitis" See the flyer here.

Contact se2@ualberta.ca for more information.

Contact msa.surgery.club@gmail.com for more information.

**EBM Review Sessions**

**When:** 12:00-13:00 April 20 & 26, 2017  
**Where:** Katz 1-080

The 'Research Interest Group' would like to reinforce fundamental EBM concepts + help you ace the Physicianship/Comprehensive exams.

April 20th, 12:00-1:00pm: Michael Taylor will lead an EBM review for the Class of 2020  
April 26th, 12:00-1:00pm: Stone Li will lead an EBM review for the Class of 2019

Contact Michael Taylor at mjtaylor@ualberta or Stone Li at shual8@ualberta.ca for more information.

**The Danish Girl Film & Discussion**

**When:** 18:30, April 26, 2017  
**Where:** Garneau Theatre

The Sexuality and Gender Advocacy (SGA) group within the Faculty of Medicine and Dentistry, with support from the Medical Student’s Association, would like to introduce a film screening of "The Danish Girl" followed by guest speakers including Dr. Justin Petryk, a Psychiatrist who works with transgender patients in the process of transitioning. Tickets will be $5 at the door.

This film portrays the true story of a painter named Einar Wegener who became the first person to undergo sexual reassignment surgery in 1931 and the struggles and accomplishments of the relationship with their wife throughout their journey.

Contact mhowllett@ualberta.ca for more information.

**AMA Medical Student Bursary Winners**

The AMA Medical Student Bursary winners have been announced, see the list of recipients [here](#).

Contact jennifer.mccombe@albertadoctors.org for more information.

**McGill Journal of Medicine Call for Submissions**

**When:** Currently  
**Where:** Online

The McGill Journal of Medicine is a student-led, peer-reviewed journal that provides students with a platform to publish their research. They are currently accepting original research, reviews, case reports, and fine art submissions. More information can be found [here](#).
