**Student Updates**

**Become an AMA Youth Run Club Ambassador!**

The AMA Youth Run Club is still looking for medical student ambassadors! Why you should consider becoming one:
1. It's NOT just about running or only for runners: Ambassadors serve as role models giving health advocacy talks to students, encouraging them to adopt healthy preventive habits early in life.
2. It's super easy: All the materials are prepared, with 'talking tips' on health advocacy topics (like sleep, exercise, or mental health). You just set up a time to visit a school and talk about a topic of your choice.
3. It's a short, flexible time commitment: You can do one presentation or as many as you like, and arrange the date and location of school visit around your preferences.

Contact finola@ualberta.ca for more information. Contact Vanda Killeen (vanda.killeen@albertadoctors.org) or Hayley Degaust (hayley@everactive.org) to get involved.
