Call for Abstracts

The Covenant Health Research Centre (CHRC) invites abstracts for both oral and poster presentation in the focus area of **ADDICTION** to be considered by the Planning Committee for the upcoming **Covenant Health Research Day**.

**Research Day Objectives:**

- Enable awareness and foster understanding of addiction and the challenges addiction presents by featuring lectures from experts in the field;
- Showcase latest research in the area of addiction;
- Explore opportunities to address issues and expand or enhance current programs through discussion;
- Provide an opportunity to engage and network with our partners;
- Identify gaps and discuss next steps needed to improve access and outcomes for patients; and
- Demonstrate the importance of patient and family involvement in the healing journey.

**Submissions for oral presentation are invited on topics related to the research objectives.**

**Submissions for poster presentation are invited on topics related to the research objectives, and/or for research projects completed at Covenant Health or funded by the Covenant Health Research Centre.**
**Important Dates:**
Friday, November 10, 2017 – Abstract submission deadline  
Early-December, 2017 – Acceptance notifications will be sent via email  
Monday, February 12th, 2018 – Research Day

**Submission Method:**
A one page abstract in MS Word that outlines your presentation based on the research day objectives is required. Indicate whether you would like your submission to be considered for an **oral, poster or both** presentations. All abstracts are to be submitted electronically by Friday, November 10, 11:59 p.m. (MST) to: [research@covenanthealth.ca](mailto:research@covenanthealth.ca)
