Instructions for the Preparation of a Poster

- Posters must be in Portrait format. Please Note: Poster dimensions must be no larger than 3’ wide x 4’ high. Any posters that are larger than these dimensions cannot be posted.

- Posters can be printed at:
  Campus Design & Print Solutions
  B-11 Cameron Library
  780.492.1397
  [https://www.ualberta.ca/technology-training/services/campus-design-and-print-solutions](https://www.ualberta.ca/technology-training/services/campus-design-and-print-solutions)

  Or at SUBprint – Students’ Union Print Centre
  Lower Level SUB
  780.492.9113
  [https://subprint.ca](https://subprint.ca)

- For tips on preparing and presenting a poster, we recommend you review the following presentations from the Noon Hour Seminars held in June 2018:
  [https://www.ualberta.ca/medicine/research/studentships/noon-hour-seminars](https://www.ualberta.ca/medicine/research/studentships/noon-hour-seminars)

  “Making the Abstract Concrete”
  “Presenting your Research in a Poster”
  “Making a Scientific Poster”

- Posters must have a title, the names and affiliations of the authors, and must acknowledge the sources of funding for the project.

- Student authors must be present at their posters to meet with judges and to discuss their research project.

- The Office of Research will not reimburse costs for printing the posters.
