Learning Plans

**What is a learning Plan?**
- Tool to facilitate self directed learning
- Set goals, identify learning strategies & evaluate outcomes

**When should I expect to view it?**
- 1 week before the placement

**What is my role?**
- Encourage self assessment & self directed learning
- Refine goals, facilitate learning opportunities, provide feedback on progress

Tips for providing feedback on learning plans:
- Ensure the goals are focused & don’t try to take on too many elements at once
- Verify the verbs are action oriented & measurable
  - Avoid using understand
- Ensure that the goals are challenging enough
  - Require the learner to apply knowledge in practice
- Ensure the timelines are feasible and encourage accountability
Assessment Updates

- The early assessment was removed from all placements
- CORE assessments were updated for 2020 to align with the most recent Educational Outcomes for Pharmacy Degree Programs
  - The major assessment areas are the same (e.g. Professional, Communicator, Care Provider)
  - The outcomes have changed to decrease overlap in the assessment areas & promote clarity
