Canmore Activities Guide

Things to do in and around Canmore during ReCon VI
Adventurer at heart? Try a cave tour! Tours range from 2-6 hours, so plan accordingly. Check out http://www.canmorecavetours.com/activities/adventures for more information!

Prefer to stay in the sunlight? Raft through the Rockies with one of two groups: http://www.rafting.ca/ or http://kananaskiswhitewaterrafting.com

Canmore is home to some world-renowned golf courses. Lose yourself (and a few golf balls) with a round you won’t forget! http://www.kananaskisranchgolf.com/ or http://silvertipresort.com/
The Grizzly Paw Brewing Co. brewery is located in the heart of Canmore. Take a tour and sample some drinks, or grab a bite at their restaurant! http://www.thegrizzlypaw.com/

Not in the mood for a tour or a drink, but still want a unique local flavour? Wander over to the Rocky Mountain Bagel Co. and see what they have to offer! http://www.thebagel.ca/
Looking to unwind after a stressful day "conference-ing"? Some of the local spas would be happy to help! http://rapunzels.net/ or https://www.mountainglowtanandspa.ca/

Take a tour of the local shops and restaurants on Main Street. There's something for everyone!
Above all, enjoy the incredible destination and explore some of the great things Canmore has to offer.
But don’t forget, there’s a conference too!
