Successful completion of KIN 209 “Introduction to Research in Kinesiology” is required prior to application for the certificate.

Student ID ______________________ Last Name ______________________ First Name ______________________

Degree Program ______________________ Major (if applicable) ______________________ Email Address ______________________@ualberta.ca

Notes:

1. Preference will be given to students with GPAs of 3.0 and above on their most recent 30 credits.

2. Normally, the requirements for the certificate can be completed as part of a student’s degree program; however, in some cases, a student may need to take more than the minimum required for his or her degree program in order to qualify for the degree and the certificate.

3. To ensure accurate course planning, students should consult their Faculty Advisor.

4. Since the certificate is awarded only upon graduation, students must notify the Faculty of Kinesiology, Sport, and Recreation upon completion of all requirements for the certificate by the application date for graduation [see University Calendar].

I declare my intention to pursue the Research Certificate in Kinesiology:
