### CURRENT EVENTS SALON

The next meeting of CES will be on **Thursday February 7 at 2:00 pm** in Emeritus House. The primary topic will be China - where Canada sits and where we should be going. This is a fluid situation and may have changed by the time we actually get together. Nonetheless, Canada is caught between a rock (U.S.A.) and a hard place (China) and just who we should view as "friendly" is worth a look.

### TRAVEL CLUB

The next Travel Club meeting will be on **Tuesday February 19th in Emeritus House at 2:00pm**. The speaker will be Jan Murie on a trip he took to New Zealand. Lots of Penguins! We need presenters for March and April, any volunteers? Please contact me at dbellow@shaw.ca.

### BOOK CLUB

The next meeting of the Book Club will take place on **Wednesday, February 20th, at 2 pm** in Emeritus House. The book to be discussed is *To the End of the Land* by David Grossman.

### ARTS GROUP

The February meeting of the Arts Interest Group will take place on **Thursday, February 21st at 2 pm** in Emeritus House. The guest speaker will be Ha Neul Kim, stage manager of Edmonton Opera. Ha Neul has many tales to tell of what goes on behind the scenes during a night at the opera. Tea and coffee will be served. Bring your opera-loving friends.
