Develop Your Teaching

New to Teaching Orientation
August 16 from 9:30 am - 4:30 pm
Cameron Library Basement B-12

New to university teaching? While scholars have expertise in an aspect of their discipline or professional field, most university instructors start teaching with little to no formal training in education. If you are feeling unprepared, keep calm and read on. At this orientation day, you will participate in sessions on the basics of university teaching and mentoring of graduate students. See link for info. Register here.
