

APPENDIX

Awards and Scholarships for which some students in the Dept. of Biological Sciences qualify

2018-19

This is not a complete list of awards. For further information please consult (1) Faculty of Graduate Studies and Research website: <https://uofa.ualberta.ca/graduate-studies/>, (2) The External Agency, (3) The Grad Office, CW 405.

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
ACA Grants in Biodiversity (Alberta Conservation Association)	Graduate students and new postdoctoral fellows whose research will increase knowledge of the flora and fauna of Alberta. Priority given to MSc and PhD students in first 2 and 3 yrs of program, respectively, and postdoctoral fellows in the first yr of their program. Research must be done in Alberta. This grant is for research purposes.	2 yrs.	Up to \$20,000 total	No restriction	Nov 30	
		Application info is available on the website: http://www.acabiodiversity.ca/				
Alberta Emerald Awards for Environmental Excellence	These awards recognize individuals and organizations that set an example of excellence in preserving, protecting, enhancing and sustaining our environment.				Nov 1	
		https://emeraldfoundation.ca/emerald-awards/				
Alberta Innovates Graduate Student Scholarship (AIGSS)	Eligibility: See FGSR https://www.ualberta.ca/graduate-studies/awards-and-funding/scholarships/alberta-innovates https://albertainnovates.ca/wp-content/uploads/2018/08/2018_GSS_Guidelines-FINAL2.pdf	1 to 4 years	MSc \$26,000 PhD \$31,000	No restrictions		
		https://www.ualberta.ca/graduate-studies/awards-and-funding/scholarships/alberta-innovates				
Alberta Society of Professional Biologists Graduate Scholarship (ASPB)	Awarded annually on the basis of academic performance and proposed research to a student registered in a full-time graduate degree program in the Department of Biological Sciences who is working in biology. To be eligible, the student must have completed at least one year of graduate work at the University of Alberta. The recipient may be asked to make a presentation to the Board of the Alberta Society of Professional Biologists.	1 yr.	\$2,300	N/A	FGSR Sep 1	
		To Apply: Supervisors should submit nomination letter & student's c.v. to Associate Chair (Graduate Studies).				

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Alberta Ukrainian Centennial Commemorative Scholarships	Two scholarships are available annually: one scholarship for a student from Ukraine to study in Alberta and one scholarship for a student from Alberta to study in Ukraine. Applicants must be enrolled or planning to enroll in full-time studies at the graduate level. Applicants must demonstrate proficiency in the	https://studentaid.alberta.ca/scholarships/alberta-scholarships/?SK=201	\$25,000		Feb 1	
Alice E. Wilson Award (Canadian Federation of University Women CFUW/Ottawa)	To assist women doing refresher work, specialized study or retraining in new techniques applicable to their field. For graduate studies in any field, with special consideration given to candidates returning to study after at least three years	1 yr.	\$5,000	Canadian or permanent resident for at least 1 yr.	Nov 1	
Andrew Stewart Memorial Graduate Prize	Awarded in direct recognition of excellence in research at the doctoral level. PhD students must have completed two or more years of their PhD program. Awards based partly on academic merit, but research accomplishment is the major criteria. Major scholarship holders may apply unless restricted by granting agency. A student may hold the award only once. Twenty-five awards are granted each year.	1 yr.	\$5,000	No restrictions	Feb 15	
ASPB Robin Leech Graduate Scholarship in Biological Sciences	Awarded to students with superior academic achievement who are registered full-time in a graduate degree program in the Department of Biological Sciences, and whose research focuses on Animal Biology, Invertebrate Biology, Ecology, or Plant Biology. Selection will be based on academic achievement and the relevance of the proposed research.		\$1,400	no restrictions	Jun 1	
Ben Karvonen Memorial Graduate Scholarship in Plant Biology	Eligibility: Awarded Annually on the basis of superior academic achievement to a student entering or continuing in a Master of Science with specialization in Plant Biology. Selection based on academic standing.		\$2,500	no restrictions	Oct 1	
Benita (Mayers) and Orville Fifield Scholarship in Sexual Health	Awarded annually to a graduate student in satisfactory academic standing (GPA of 2.7 or higher) who has an interest in the fields of sexual health or sexual education.		\$8,800	no restrictions	Oct 1	

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Bill Samuel Graduate Student Service Award	This award recognizes the service that graduate students give to the Department, including serving on committees, working with the BGSA, helping other students with techniques such as statistics, etc. Criteria include duration, significance and breadth of service. Any current graduate student is eligible, nominees are not necessarily required to be active in the BGSA or GSA.		\$300			
Bill Shostak Wildlife Award	PhD students who have completed at least 1 year of their program at the Univ. of Alberta. Awarded annually on the basis of academic achievement and desire to communicate effectively with the public concerning research results. Preference given to students whose program emphasizes the identification and timely correction of problems affecting conservation and management of fish and wildlife. Department makes one nomination to FGSR.	1 yr.	\$9,800	Canadian or permanent resident	Oct 1 FGSR	
				To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).		
Biological Sciences Travel Subsidy	The Department provides a conference travel subsidy to full-time students who are presenting a paper or poster. Available once during program. Not a competition, but applicants must have already applied for FGSR Research Travel Support.		Up to \$300	No restrictions		Open
				Applications available through Dept. website: http://www.biology.ualberta.ca/programs/graduate/current/?Page=4676		
BMO Financial Group Graduate Scholarship	Eligibility: Awarded annually to a student registered in, or admitted to, a full-time PhD or thesis-based Master's program at the University of Alberta. There are no restrictions on citizenship and all disciplines are eligible for funding. The scholarship will be awarded on the basis of superior academic achievement (minimum grade point average equivalent to a 3.5 on the University of Alberta grading scale) and demonstrated research ability or research		\$20,000	no restrictions	June 1	
				https://www.ualberta.ca/graduate-studies/awards-and-funding/scholarships/departmentspecificawards/staticawardpage?row=248		
Bullitt Environmental Fellowship	Currently enrolled in a graduate candidate program, not restricted to environmental studies. Prepared to demonstrate a strong desire and capacity for leadership. Seeking leadership opportunities to make substantial contributions to the environmental field.		\$50,000	no restrictions		
CAGS/UMI Distinguished Dissertation Award (Canadian Association for Graduate Schools)	Ph.D. dissertation completed in last 2 years. Only 1 is available worldwide for engineering, medicine and the natural sciences. Dissertation must be completed and accepted by FGSR between Jan. 1 and Dec. 31 of previous year. The Department may submit 1 nomination.		\$1,500 plus travel up to \$1,500		Mar 1 FGSR	
				Nominated by supervisor to Assoc. Chair. Abstract (up to 10 pages) from nominee to Assoc. Chair (Grad. Studies)		

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Canada Graduate Scholarship - Michael Smith Foreign Study Supplements Program	Value: \$6,000 Eligibility: This foreign study supplements program is available to Canadian citizens or permanent residents who hold a Joseph-Armand Bombardier, an Alexander Graham Bell or a Frederick Banting and Charles Best Canada Graduate Scholarship (CGS) at the Masters or Doctoral level or a Vanier Canada Graduate Scholarship (Vanier CGS) at the Doctoral level.	Online: http://www.nserc-crsng.gc.ca/Students-Etudiants/PG-CS/CGSForeignStudy-BESCEtudeEtranger_eng.asp	\$6,000	Canadian citizen or PR	Sept 25	
Canadian Bureau for International Education (CBIE)	check website yearly for award opportunity. www.cbie.ca					
Canadian Council of University Biology Chairs (CCUBC) Graduate Student Research Prize	Awarded annually to a graduate student (M.Sc. or Ph.D.) who has the best and most innovative refereed journal article based on their graduate research, published or in press, in any national or international scientific journal.		\$2,000		Sept 21	
Canadian Meat Science Association (CMSA)	Graduate students in any year of a recognized, full time MSc. or PhD. program at a Canadian University, who are conducting applied or basic meat research, are eligible to apply. Previous CMSA Scholarship Program winners are not eligible.		\$3,000	No restrictions	Feb 21	
Canadian Northern Studies, various awards (ACUNS)	MSc or PhD The Canadian Northern Studies Trust (CNST) is ACUNS scholarship awards program. It was established in 1982 to further the Association's mandate to advance knowledge and understanding of Canada's North by offering student awards for exceptional northern-based research. The CNST provides a range of scholarships, studentships and awards from Association	1 yr.	up to \$40,000	Canadian Citizen or Permanent Resident	Jan 31	
Canadian Society of Zoologists - Leo Margolis Scholarship	The competition for the scholarship is open to any Canadian who is registered in a graduate studies program at a Canadian university at the time the scholarship is taken up and whose research is in the field of fisheries biology.		\$500	canadian	Nov 1	
Canadian Society of Zoologists - Travel Research Grant	Travel subsidy geared to aid students with expenses incurred during collaborative visits to other laboratories, research facilities, field stations or sites to conduct zoological research.		\$500	NO	Jan 31	

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Canadian Water Resources Association Scholarships in Water Resources	Graduate students whose programs of study focus upon applied, natural, or social science aspects of water resources. Department may put one nomination forward.	1 yr.	\$1,500 - \$5,000	Canadian or permanent resident	Feb 28	
https://cwra.org/en/scholarships/						
Circumpolar/Boreal Alberta Research (CBAR) Grants Canadian Circumpolar Institute	Research "seed money" only; for graduate students and 4th year honours students intending to continue in a graduate program, involved in basic or applied research in any discipline, provided it applies to the Circumpolar North (any area of the world north of the southern border of the boreal forest). Proposals to conduct research outside this area are evaluated on their applicability to the north.	1 yr. effective April 1 of Up to \$5,000 max. each yr		Canadians or Permanent Residents	Oct 20	
Application information is available on the Circumpolar website: http://www.uofaweb.ualberta.ca/polar/index.cfm						
D. Alan Birdsall Memorial Scholarship	Graduate student or postdoctoral fellow specializing in the field of applied fisheries ecology and management. Scholastic excellence. In alternate years preference given if previously attended U of BC or resided in BC.	1 yr.	\$8,000	no restrictions Note 'BC' connection	Jun 1 FGSR	
To Apply: Supervisors should forward nomination letter & student's c.v. to Associate Chair (Grad. Studies).						
Delta Delta Delta Alumnae Fellowship	Woman graduate student of outstanding academic merit who has graduated from a degree program at the Univ. of Alberta. Preference is given to student entering 1st year of graduate program immediately following her undergraduate degree.	1 yr.	\$1,800	no restriction	Oct 1 FGSR	
To Apply: Supervisors should forward nomination letter & nominee's c.v. to Associate Chair (Grad. Studies).						
Devendra Jindal Graduate Scholarship	Selection is based on superior academic achievement (GPA average of 3.5 or greater on the U of A grading scale). Preference will be given to Canadian citizens or permanent residents who have immigrated to Canada within the past 5 years. Students are eligible for the scholarship in years one and two of a master's program, or years one through five of a doctoral program.		\$1,400	preference to Canadian citizens or PR's	Oct 1	
Dick Peter Graduate Scholarship	Student entering a graduate degree program in any department in the Faculty of Science whose undergraduate degree was completed in the Faculty of Science at the University of Alberta. The scholarship will be awarded to the student with the highest academic standing in the final two years of their undergraduate degree.	1 yr.	\$1,000	no restrictions	Oct 1 FGSR	
Supervisors should submit nomination letter to Associate Chair (Graduate Studies).						

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Donald H. Rusch Memorial Game Bird Research Scholarship	Graduate student studying any aspect of upland game bird or waterfowl biology and management. Applicants must be registered in degree program in wildlife biology, zoology, ecology or related discipline, and must be a member of The Wildlife Society (TWS). Awards are based primarily upon	Submit materials to awards@wildlife.org http://wildlife.org/engage/awards/rusch-memorial-game-bird-research-scholarship-applications/	\$2,000	no restrictions	May 1	
Donald M. Ross Scholarship	Awarded on basis of academic merit to outstanding MSc or PhD students in the area of Marine Biology.		1 yr.	\$2,800	no restrictions	Jun 1 FGSR
Dr Edwin A Cossins Graduate Scholarship in Plant Molecular Biology	A Full-time in a graduate who has completed most of the required course work for the degree and has a well-established thesis research program in molecular aspects of plant biology and/or plant biotechnology. The scholarship will be awarded on the basis of superior academic standing (minimum grade point average equivalent to 3.5 on the University of Alberta grading scale).		\$1,700	no restrictions	Oct 1	
Dr William A Fuller Memorial Graduate Scholarship	Awarded annually to a student registered full-time in a Master's or PhD program at the University of Alberta whose research is carried out in any discipline pertaining to Northern studies. The recipient will be selected on the basis of superior academic achievement (equivalent to a grade point average of 3.5 or greater on the University of Alberta grading scale). Preference will be given to a student who is engaged in aboriginal affairs or conservation in the		\$3,300	no restrictions	Jun 1	
Dr. Michael E. Stiles Graduate Scholarship in Applied Microbiology	Awarded annually to a student with superior academic standing in a graduate degree program whose area of research is applied microbiology in the departments of Biological Sciences, Agriculture Food and Nutritional Sciences (AFNS) and Medical Microbiology and Immunology. To promote interdisciplinary study, the scholarship will not be awarded to students from the same department for more than 3 consecutive years.		\$2,100	no restrictions		

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Dr. Richard E (Dick) Peter Memorial Graduate Scholarship	Awarded annually to a student registered in a graduate degree program in the Department of Biological Sciences whose area of study is Comparative Physiology and Biochemistry. Preference will be given to a student whose research animal is fish. Preference also may be given to a student whose program will, at least in part, be carried out at the Bamfield Marine Sciences Centre. The scholarship may	To Apply: Supervisors should forward nomination letter & student's c.v. to Associate Chair (Grad Studies).	\$3,000	no restrictions	Oct 1 FGSR	
DUC-MBNA Canada Bank® Conservation Fellowship	The objective is to develop talented young professionals who are dedicated to furthering the conservation of wetlands and wildlife, and to advance the scientific understanding of waterfowl and wetland biology in Canada.	Renewable for 2 years for PhD	\$10,000	Canadian	Nov 15	
Edward D. and Sally M. Futch Graduate Fellowship	For personal or research support; to assist in the development of talented young professionals who are dedicated to furthering the conservation of wetlands and wetland wildlife, and; to advance scientific understanding of the biology of waterfowl and wetlands in North America.	1 yr.	\$7,000/year U.S.		Nov 19	
Entomological Society of Canada (ESC) - Biological Survey of Canada Scholarship	Applicants must be post-graduate students at the time of application, be studying at a Canadian university, and be carrying out a project on insect (or terrestrial arthropod) faunistics in a Canadian habitat. Offered in alternate years to the Keith Kevan Scholarship.		\$1,000		Feb 16	
Entomological Society of Canada (ESC) - Keith Kevan Scholarship	Applicants must be members of the Entomological Society of Canada at the time of application. The successful applicant must be a postgraduate student at the time of application, studying at a Canadian university or be a Canadian citizen studying abroad.	1 yr.	\$1,000	Canadian or permanent resident	Feb 16	
Entomological Society of Canada Postgraduate Award	The applicant must be a postgraduate student enrolled at a Canadian university and their studies and research must be carried out at a Canadian university.	1 yr.	\$2,000	Canadian or permanent resident	Feb 16	

Award	Eligibility	Duration	Value	Citizenship	Agency Deadline	Dept. Deadline
Faculty of Science Doctoral Dissertation Award	Recognizes a Doctoral Dissertation that, evaluated by external reviewers and the student's committee, exemplifies the values of our Faculty, and contributes to knowledge at the National and International level. PhD student Completed his/her doctoral dissertation within 5.5 years from admission	1. Nominated by student's committee and external examiner within 4 weeks of the student's defense 2. Awarded by Science				
Faculty of Science Graduate Scholarship	New graduate students, entering a M.Sc . or Ph.D. program, who wins an NSERC, CIHR, SSHRC, or Commonwealth Postgraduate Scholarship. This scholarship can be won only once and is non-renewable	1 yr. FoS Scholarship authorization form need to be sent to the International/Graduate Office 6-189 CCIS	\$2,000			Jun 1
Faculty of Science Graduate Scholarship	Awarded to any new graduate student, entering and MSc or PhD program who has won one of the following major awards: NSERC, SSHRC, Commonwealth or CIHR.		\$2,000			
FGSR Travel Support: Mary Louise Imrie, Gordin J. Kaplan or Profiling Alberta's Graduate Student Awards	Full-time MSc or PhD students. Supports travel to a research conference, symposium, library, archive, etc. Available only <u>once</u> during a student's program. MSc students must have completed preliminary coursework; PhD students must have either completed their candidacy or completed preliminary coursework and be well into the research part of the program.	1 yr. Applications available through: http://www.gradstudies.ualberta.ca/	MSc- Up to \$600 PhD-Up to \$800	No restrictions		Open
Fisher Scientific Graduate Scholarships in Biological Sciences	Eligibility: Awarded annually to Canadian citizens or permanent residents with superior academic achievement registered full-time in a graduate degree program (MSc or PhD) in the Department of Biological Sciences. Selection based on academic standing. Preference will be given to a student who has not received another student award that year, and has completed at least one year of graduate work at the University of Alberta. A student may hold the		\$2,500	Canadian or PR		
Fred Cooke Award, Society of Canadian Ornithologists (SCO - SOC)	Open to any student conducting ornithological research at a Canadian university. Previous recipients of the Award are not eligible. Awarded for travel to ornithological conferences at which the student will make a verbal or poster presentation, or research in any aspect of ornithology anywhere in the world. The research must make a significant contribution to ornithological knowledge.	1 yr Applications available on SCO website	\$1,000		Feb 15
