How We Can Help Staff & Faculty:

**Staff Consultations**

Questions or concerns about student wellbeing?

Speak with the satellite psychologist* or call intake and request a staff consultation.

**Student Consultations**

Think a student may need to talk to someone?

Direct them to the satellite psychologist* or to intake for information about our services.

**Intake**

SUB 2-600
780.492.5205

**Diffusion**

Have a meeting with a student that may create distress?

Pre-book the satellite psychologist* to be on standby to debrief with the student after your meeting (if the student wishes it) or contact intake for this service.

**Presentations**

Need a group presentation about supporting student wellbeing?

Request a psychologist-led presentation on various mental health topics, including "Identifying, Helping and Referring Students in Distress."

*Faculty of Science Satellite Psychologist is located in 1-001 CCIS
