This form must be completed by any university staff member who is a pregnant and b. a nuclear energy worker. For questions about this form, please contact ehs.info@ualberta.ca.

I declare myself to be pregnant as of the date of completion of this form. I understand the following:

- ☐ Exposure to my unborn child from occupational exposure to radiation will not be allowed to exceed 4 mSv during the remainder of the pregnancy.
- ☐ Meeting the lower dose limit may require a change in job, or job responsibilities during my pregnancy but I will remain employed by the University of Alberta.
- ☐ I encouraged to speak with the Radiation Safety Officer about my radiation exposure as soon as possible.
- ☐ It is my responsibility to forward this form to the Radiation Safety Officer.
- ☐ I should inform the Radiation Safety Officer as soon as possible if I find out that I am not pregnant, or if for any reason my pregnancy has been terminated.

Please complete the following:

Name (first, middle, last) Click here to enter text. S.I.N. Click here to enter text.
