Activity A: Building an Achievable Annual Plan

Greg Hodgson
System Planning and Development Team – EHS Department

Collaboration Quote
“Individually, we are one drop. Together, we are an ocean.” – Ryunosuke Satoro
SMART Goals!

S  Specific
M  Measurable
A  Achievable
R  Relevant or Realistic
T  Time Based
SMART Goals!

In your table group

1. Find the requirement located on your table

2. Create a SMART Goal on how your committee could achieve the requirement (10 minutes)

3. Assign a reporter and get ready to report to the large group
