Equipment Asset Loan Form - Equipment Loan FROM the University of Alberta

This form provides guidelines for University of Alberta Faculties/Departments/Units to a company or institution that is receiving equipment on loan from the University. If equipment has been purchased on research grants, the unit must confirm that the grant allows for the lending of equipment. Contact Research Services Office for more information.

The lending unit and company or institution must discuss terms and conditions for the equipment regarding insurance, use, maintenance and repair costs, length of loan, and any other associated costs before proceeding with lending University of Alberta equipment assets. ________ (Initials by Unit). This form is not a legally binding document.
