

Admission Application Program Change Form

Use this form to change the program choices or priorities you previously submitted on your application

This form is intended for new applicants to the university. If you are a continuing or former student applying to a new program, you may need to complete a new application for admission. Please contact Student Connect if you have any inquiries.

Personal Information

Last Name	First Name
U of A Student ID	U of A Email Address
Date	Are you currently on a Study Permit? <input type="checkbox"/> Yes <input type="checkbox"/> No

Please note:

- Only one program change request per application will be accepted.
- If you have already received an offer to a program, be sure to include that program on this form in order to maintain your offer. If it is not included, the offer will be revoked.
- If you have already been refused for one of your program choices, you cannot add a new program choice in its place.
- If you submit your program change request after the application deadline has passed, you can only switch the priority of your two program choices; you cannot add a new program choice.
- If you previously declared two program choices on your application and still wish to be considered for two program choices, you must list two choices again on this form. Listing only one choice will result in the other previously declared choice to be cancelled.

I wish to change my application program choice(s) to:

I wish to switch my program priorities (no need to enter information below).

1ST CHOICE	Faculty	Degree Program
