

Bachelor of Science in Kinesiology – Registration Tip Sheet

Please note the University of Alberta hosts a variety of Registration 101 events, intended to help students learn the process for enrolling in courses through Bear Tracks. It is highly recommended that students participate in one of these events in order to learn more about the registration process (RSVP at uab.ca/reg101)

The date students can register in classes is available in Bear Tracks through the 'Enrollment Dates' link. Prior to this date and time, students should use the 'Schedule Builder' feature within Bear Tracks to build a template schedule. The information below will assist students in completing this process:

How To Build Your Schedule

Step 1 – View your program planning form on the other side of this document to determine which courses are required to complete your degree.

Step 2 – Use the 'Course Catalogue' link within Bear Tracks to research if the courses you need are offered in the Fall or Winter term (and mark this down on your program planning form).

Step 3 – Beginning with the Year 1 courses required, use the 'Schedule Builder' link within Bear Tracks to begin building a template schedule for the Fall and Winter terms.

Step 4 – On or shortly after the date and time indicated under the 'Enrollment Dates' link in Bear Tracks, enroll in each course (You are not registered in the courses in your Schedule Builder until you complete the enrollment process). To enroll in courses, starting with the Fall semester, select each course below your schedule in Schedule Builder and click the 'Enroll' button. Repeat for the Winter semester.

Frequently Asked Questions

- To begin registration, students are required to accept their admission offer through Bear Tracks and pay the tuition deposit (payment options and information available at online through the [Financial Service Website](#))
- Included on the back of this tip sheet, is your program planning form which includes each of the courses required for graduation along with recommended year of completion
- Please be aware that some classes are taught only in the Fall, only in the Winter, or offered in both terms
- Many courses will have specific pre-requisite courses required for registration (KIN 200 requires completion of KIN 101), with details available within Bear Tracks and the UofA Calendar Online
- For your English requirements (6 credits in ENGL/WRS), you will take one ENGL course and an additional course in ENGL or WRS (no specific course number required)
- As noted on the program planning form, students can complete either KIN 109 or STAT 151 (for more information on the difference between KIN 109 and STAT 151 please consult the course descriptions available in Bear Tracks and the UofA Calendar Online)
- When searching for classes within Schedule Builder, be sure to un-check the 'Show Open Classes Only' box to ensure all course offerings are displayed
- If a course is currently filled, you can be notified when/if a spot does open using the 'Watch List' link available within Bear Tracks
- Once completed, and you are enrolled in courses, you can view your class schedule through the 'My Class Schedule' link
- Course schedules can be adjusted throughout the Spring and Summer
- Step-by-Step videos and more information regarding registration is available at uab.ca/reg101
- Any other questions can be directed to ksr.info@ualberta.ca

Notes:

1. (*) Indicates "units of course weight", ie: *6 would indicate 6 units of course weight. If no (*), assume course weight *3.
2. It is strongly recommended to select appropriate Open Options in order to meet Agency prerequisites for practicum placements. See your advisor.
3. Practicum opportunities may be limited for those students wishing to do a part-time practicum.
4. A maximum of *18 in practicum course offerings may be credited towards the BSc in Kinesiology degree program.
5. The maximum units of allowable credit in activity courses (PAC/DAC) is *9.
